## At Our Glamorous New Warehouse

ON THE CORNER OF FERRY AND TRADE STREETS

**Four Days Only--Wed., Apr. 7th Thru Sat., Apr. 10th**

There are two kinds of merchandise on the market today -- "hard to get" and "hard to get rid of." We have acres of both. So --- I'll tell you what we're agoin' to do. Starting tomorrow morning, bright and early, we are having one of the most stupendous, colossal, and gigantic (we mentioned "sensational" farther up) --- bargain sales you have ever heard of. We had planned it for last week --- but with April Fool's Day and all we knew you would have thought we were fooling.

Why any of this merchandise should be sold at reduced prices is a mystery to us. It looked like sure-fire sellers when we bought it. But for some reason or other it just decided there was no place like Elfstroms and didn't want to leave. However, we never make the same mistakes twice. We make new ones.

Here's your chance to practically steal good merchandise --- and without even a permit to carry a gun. You'll love the wonderfully informal club-like atmosphere of packing crates, white-washed walls, and the latest in splintered flooring. Moreover, you can actually save more money than you make --- so why should you work?

Imagine selling \$59.50 swing rockers for \$19.75. It's ridiculous -- only we're not laughing.
