PLAY BALL! Yes, baseball is in full swing again, and the game is on. Our business is in full swing all the time. It is not a "game" with us, but we have been in it long enough to know at least some of the "score". In baseball they hit, run, sacrifice, steal, catch, and score. When you come in to shop, my Salesman will show you a car that will take you around and always get you "home" safely. One that will make a "hit" with you and your "sec" but still not have to "sacrifice" to buy.
