**"TYLE-BORD" the Magic
Word in HOUSEKEEPING!**

"TYLE-BORD" is a magic word to good housekeepers who look ahead. They realize they can have walls in their kitchens and bathrooms that need not undergo annual patching, painting or resurfacing. Walls as easy to keep clean as a modern refrigerator.

Because the plastic-coated surface of TYLE-BORD is baked on, it does not fade or lose its original beauty and luster. TYLE-BORD is always fresh and colorful... always easy to keep clean.
