Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pain, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Mr. Melson Being Well Received

Being called an "Old Timer" in Marion County does not necessarily mean old age.

There are many of these "Old Timers" in our County who were born here, have spent their energies, and devoted their time and talents since youth, to help develop Marion County, and bring it to its present state of affluence and wealth.

Roy S. Melson, a present candidate for the office of County Commissioner rightfully belongs in this class, and his candidacy for this office is being very favorably commented upon.

In his travels around the County he is being well received, and his many friends are offering not only encouragement, but are going out of their way to help him make new friends and supporters in his campaign for this office.

The "Old Timers," of course, know of Mr. Melson's previous experience in Marion County business affairs. They know of his success as a fruit grower, and also his long-standing and constructive participation in civic affairs. But those who are comparatively new here, are very much impressed by Mr. Melson's ready and competent answers to all questions concerning County Business.

A Vote for Mr. Melson at the Primaries on Friday, May 21, will be a further progressive step in County Affairs.

—Pd. Adv. by Roy S. Melson for County Commissioner.
