

Henry I of England aided Flemish wool weavers by offering them religious sanctuary in Worsted from which the industry borrowed its name.

At very low temperatures helium becomes a liquid and then develops such tremendous capillary action that it will overflow any container in which it is placed.

## Greyhound Seeks To Abandon Line

Hearing on the application of the Pacific Greyhound lines for permission to abandon common carrier fixed termini passenger service between Otis Junction and Three Rox, rendered on call only between June 1 and September 10 for 30 or more passengers, has been set for May 28 at McMinnville. Public Utilities Commissioner John H. Carkin announced Wednesday.  
 Carkin approved an application of the state highway commission for authority to widen an existing overcrossing structure over and across the tracks and right-of-way of the Southern Pacific company near Tolo, approximately five miles north of Central Point on the Pacific highway in Jackson county.

## Toastmasters Address Salem Rotary Club

Two Salem Toastmasters were the speakers at Salem Rotary club luncheon Wednesday at the Marion hotel.  
 Ralph Nohlgren, who will represent Salem Toastmasters at the zone competition in Portland June 5, gave the talk which won him theatrea competition at Eugene a short time ago. If he is successful in Portland he will then enter national competition in San Francisco.

Subject of his talk Wednesday was "Hour of Destiny" and in it he drew upon his experiences during the World War II in the South Pacific, to make the point that more than money is needed to help the needy peoples of the world.  
 George Moorhead, another toastmaster, entertained with his straight face talk on the money making possibilities of raising milking mice. L. O. Arens introduced the two speakers.

## MacHugh Has High Producing Jersey
