

## Girls State Plans Made

The Oregon Girls State, sponsored by the American Legion auxiliary, will hold their annual convention on the Willamette university campus June 14 to June 21. Mrs. Stanley Krueger, Salem department Girls State chairman, said this is the first year the meeting has been held away from Silver Creek Falls since its inauguration in 1938.

Approximately 160 girls from over 100 Legion units in the state will attend the meeting which will be aided by the guidance of 16 women in Legion auxiliary and instruction work.

The girls themselves will elect and set up their own mock state organization which was designed by the American Legion as a study in Americanism and how it works. Though legislative work will be the main occupation of the girls, they will also witness operations of the executive government and the judicial, including a court trial and parliamentary law. They will also hold a naturalization session.

Recreation and vesper services will be part of the program with vespers held in early evening followed by a "fun hour."

Rooming facilities will be provided by Willamette university with the independent section of the men's dormitory, Baxter hall, and Lausanne hall in use.

Some of the women who will take part in the meeting with the girls are Dorothy McCullough Lee, Portland candidate for mayor; Mrs. Edna Marie Moore, Newberg; and Mrs. Marie Wilcox, Grants Pass, candidate for state representative.
