Broad Advance In Stock Mart

NEW YORK, May 20 (AP)—The stock market advanced on a broad scale today but failed to regain all the ground lost in Tuesday's break.

The final score showed numerous gains of fractions to around 2 points and more. Turnover increased to 2,470,000 shares from Wednesday's 1,850,000.

The Associated Press average of 60 stocks added .2 of one point at 70.7, or a little under the high of nearly two years standing which was hit Monday.

Of the 1,130 individual issues which appeared on the tape, 662 advanced while 253 declined.

Oil stocks favored for a long time, ran ahead of the balance of the market. The groups in demand included rails, distillers, motors and metals. Airline issues attracted support for a while but failed to hold.
