JAYSON'S

Remember THIS SUNDAY IS... Father's DAY

Father (good old Dad, that is) really deserves one day to sit back and be the center of attention. And it's a pleasure Sir! For we've set aside some "terrific" gifts to honor a "terrific" guy.

For Dad . . . a Hammon Park Suit, distinctively styled, hand-tailored in all wool, hard finished worsteds, sharkskins and gabardines . . . in the pattern and shade he most desires. Timed for Father's Day at **\$37.50 and up**

You can make a fuss over Dad with a smart fitting, beautiful Van Huesen or Jayson shirt in either fine white broadcloth or "striking stripes." We have a large selection of collar styles and patterns from **\$3.50 to \$4.95**

Buy Dad's slacks where Dad would buy them—'cause Jayson's have always specialized in really fine quality slacks in all wool bagardines, bedfords, plaids and just about anything you're looking for at top values from \$12.95 and up.

And there's always that harmonizing sport coat to go with these new slacks. You will be able to find just the pattern to compliment his appearance from our large stock of California originals.

Mallory Straws and famous Mallory cravenetted fur felts. He can always use a new hat to top off his wardrobe, especially the new pastel shaded "Mallory Dallas," featuring comfort and style from **\$6.95 and up**

Tell Pop he's a great guy with either a sport short or a T-shirt. Something he'll appreciate for casual wear after work and on his vacation. We do have an outstanding selection of the most desirable lines on the market.

Sport shirts from **\$3.95** T-shirts from **\$1.95**

And there's the good old stand-bys—socks or ties. No man ever has too many of these. And especially the socks and ties we've been saving for F-Day—they're truly "knock-outs," different, distinctive and outstanding.
Socks from **55¢**
(Westminster, Wilson, Esquire)
Ties **\$1 to \$5**
(Cheney, Van Huesen, Superba)

Have you seen the new Swank Tie Klip with his initial or the Pearl Sword Model as advertised in Life? **\$2.50 plus tax**
