# GRAND OPENING TOP HAT ICE CREAM

1275 State St. Next Door To The Famous Top Hat Restaurant  
Opens Saturday at 11 A.M. Open 11 A.M. to 11 P.M. Daily

For years we have dreamed of an Ice Cream Store that would be outstanding in the production of QUALITY ice cream. A product that would be the culmination of the best materials properly assembled under the most sanitary conditions and delivered to the people under painstaking and courteous methods that would not make our ice cream only a joy to eat but also a pleasure to buy. We tested more than a dozen mixes before we secured what we believe is the tops in perfection. Then with equal care we selected the best flavors and syrups that the market affords. Next we secured a man that has spent years and years making ice cream, producing formulas and bettering production. To all of these features we added the most modern, best designed equipment that could be had and we put the whole thing in a newly constructed building designed especially for the equipment, warehouse and workroom required. We feel that we have a plant capable of producing the best ice cream that is humanly possible to make and we intend to do just that.

This new store will open at 11 o'clock Saturday morning and will remain open each day including Sundays (7 days a week) from 11 a. m. to 11 p. m.

We would sincerely appreciate a visit from you even though you do not care to make a purchase. We are proud of this new enterprise and deem it a pleasure to tell you about it.
