BROOKLINE, Mass., Aug. 28—(P)—Such long established tennis doubles teams as Gardner Mulloy of Miami and Bill Talbert of New York, and the invincible Louise Brough of Beverly Hills, Calif., and Mrs. Margaret Osborne Du Pont of Wilmington, Del., ended a week's battle against torrid heat and red hot opposition with more national titles today at Longwood.

For the fourth time since 1942, Mulloy and Talbert gained the men's team crown by outbattling their U.S. Davis Cup teammates, Ted Schroeder of LaCrescenta, Calif., and Frank Parker of Los Angeles, for a 1-0, 9-7, 6-3, 3-6, 9-7 triumph.

It was seven such championships in a row for Miss Brough and Mrs. Du Pont when they, for the second straight year, topped Doris Hart of Miami and Mrs. Patricia Canning Todd of LaJolla, Calif., 6-4, 8-10, 6-1.

Talbert, appearing in his seventh national doubles final, wound up with 96 errors and 16 earned points. Mulloy, in it for the sixth time, had 63 errors and 35 earned points.

Schroeder, a winner with Jack Kramer in two of his previous four appearances in this championship event, made 87 errors and 41 earned points and Parker, the steadiest of all, had only 29 mistakes during the 57-game match and 19 earned points.

Citation, by his victory, became the third greatest money winner on the American turf. First place was worth \$66,450 and raised the colt's earnings for two years of campaigning to \$651,750, which moved him ahead of Assault. Styria is the top winner with \$911,335 and Armed is second with \$773,700. The winner, hurtling to his thirteenth victory in fourteen starts this season, ran the mile and a quarter in 2:01-3/5.

# Weights Are to be Assigned Fair Race Horses This Week

Weights will be assigned this week to 14 Oregon bred entries in the Governor's Handicap, feature race of the Oregon State Fair, September 6 to 12. The handicap will be run at a mile and sixteenth on Wednesday, September 5, over the Lone Oak track. Early favorites are Wallace Conley's Fair Billing, a consistent winner this season at Longmead against a good grade of claiming horses, and Carl Steen's four year old gelding, High Fog. The latter horse won several starts this year at Portland Meadows and has annexed several recent spring wins in Canada.

Other handicap entries include Bonville, owned by Vic Mayberry of Bend; Row River of the V. H. Schricker and Son stables in Roseburg; Sleepy Sam and Far-A-Lone, a dual entry of O. S. Pitts, Clifton; Pharaoh, owned by William Zurcher, Enterprise; Log Drive, owned by Tom Webb, Turner; Madox, owned by Ralph Braden, Tillamook; Oregon Funch, owned by Hugh Miller, Oakland; O-Van, owned by Ivan Olson of Madras; Seth Bean, owned by Johnny Daly of Bend; and two Salem owned horses, J. H. Baldwin's Chessawa and Ethel Rowland's Current Topic.

# Detroit Gold Cup Victor; Lombardo Hurt

DETROIT, Aug. 28—(P)—A mahogany and white-hulled Detroit speed boat won the famed Gold Cup trophy here today.

Miss Great Lakes, piloted by Danny Foster, did the trick by outlasting a field of more than a score of the world's fastest speed boats in two heats and finish second in another.

It probably was not a wholly satisfactory victory to Foster.

Of the 21 boats eligible to start, most of those credited with test trials at better than 100 miles an hour dropped out so fast in the first heat that the race committee adopted a special rule to have enough boats to carry on with a second and third heat.

First mishap of the race came only seconds after the boats had roared over the starting line in the first heat. Band Leader Guy Lombardo's Tempo VI broke up and sank as he swung sharply to avoid crashing into Morlan Visel's Hurricane IV of Los Angeles that had damaged a propeller. Lombardo suffered a broken arm.

# Aces Knotted, Links Tourney

SALT LAKE CITY, Aug. 28—(P)—Jimmy Demaret of Ojai, Calif., and Lloyd Mangrum of Chicago were deadlocked for the lead of the \$12,500 Utah open tournament at the end of 54 holes today with totals of 205.

Demaret held the lead by himself yesterday with a 36-hole total of 135, and Mangrum was tied for second. While Demaret shot a two-under-par 70 today, Mangrum came in with a three-under-par 69. Demaret carded 69-66-70-205. Mangrum's scores are 67-69-69-205.

George Fazio of Conshohocken, Pa., continued his brilliant golf with a 70, which, added to his two previous 68s, gave him a third-place 204. Clayton Heafner of Charlotte, N. C., shot a 67 today for a fourth place 208.

# National Amateur Show Opens Monday

MEMPHIS, Tenn., Aug. 28—(P)—Strong legs and abundant patience may be the winning combination in the 48th national amateur golf tournament, opening Monday at the Memphis country club.

As the star-studded field of 210 players assembled today for the six-day match play marathon, the heat was oppressive and tempers edged. This led rise to talk about the 19th hole that, barring a break in the weather, a young outsider with a lot of staying power probably will outlast defending champion Robert (Sike) Riegel and the lineup of established stars.

Of the nine U.S. and British title winners competing, only Frank Stranahan, the British and Canadian amateur champion, is under 30. The Toledo pinup boy is 25.

Riegel, the husky Pennsylvania now registering from Outerey Park, Calif., is 33. Marvin (Bud) Ward of Spokane, Wash., a two-time winner, is 35 and Chick Evans of Chicago, who prevailed in 1916 and 1920, is 58. Dick Chapman of Pinehurst, N.C., 1940 victor, is 37. Stanley E. (Ted) Bishop of Denham, Mass., winner in 1946, is 35.

overseas pay... travel... sports... go with an Army job in Japan!

How times have changed. Three years ago, when our first victorious combat men left Japan, much of it was a shambles. The Japanese people were so dazed by defeat they didn't know which way to turn. The life of an Army man often had its discomforts.

But look at him today! He's helped to start the rebuilding of Japan, to restore roads and railways, to inspire a tired and hungry people with the hope of Democracy. Under his guiding hand, courts of justice, woman suffrage and freedom of worship have been brought about. In Japan there is only one soldier for every 400 Japanese—the smallest per capita occupation army in the world.

The pay of a Private is 50% higher than three years ago, then another 20% higher overseas. And almost every cent can be banked. None of it goes for food, housing, medical or dental care, clothing, retirement annuity, or the opportunity to continue his education. The Army furnishes him equipment for organized sports. While on leave, he can ski in winter or visit summer resorts at a fraction of what these activities would cost him in the United States.

An Army career in Japan is full of advantages such as these. Compare it with any job across the board—you'll find it hard to beat! Ask at your nearest Army and Air Force Recruiting Station for full details.
