

Clubs, Classes Program at Y In Full Swing

Clubs and classes of the Salem YMCA physical department are in the swing this week on a program under the leadership of Fred Cords, new physical director.

Swimming, gymnastics and lobby activities for the "younger fry" are slated principally during the late afternoon, after school, and on Saturdays.

The men of the Breakfast club meet each Thursday at 8 a. m. for volleyball followed by breakfast.

Organization of a junior leaders' club for boys' physical activities is due during the ensuing two weeks, according to Cords.

Added to the program this year is a conditioning class for men from 5:30 to 6 p. m. Monday, Wednesday and Friday, to be followed by volleyball or basketball participation.

For women, the facilities are open Tuesday and Friday mornings, with a nursery set up for care of participants' children. Ballet and modern dancing will also be offered in the evenings.

Friday night will again be family night, beginning at 7 p. m. From 8 to 10 p. m. will be "couple swim."
