# State Prisoner

A petition for a writ of habeas corpus for Claude Kenneth Castle of Dallas was denied by order of Circuit Judge E. M. Page Monday. Judge Page had taken under advisement arguments on the petition heard August 20. Castle alleged he is illegally imprisoned at Oregon state prison where he was sentenced in 1941 from Polk county on an habitual criminal act. Judge Page found that Castle was not in prison unlawfully. Castle had alleged that no grand jury habitual criminal indictment had been entered against him and that no jury tried his case.
