GE, 5 Firms Convicted of **Price Fixing**

NEW YORK, Oct. 8 -(AP)- A General Electric Co. and five Salem. other defendants of violating the anti-trust laws by conspiring to monopolize trade in hard metal

Judge John C. Knox, who gave cate preference for (a) the presthe verdict after more than a ent city manager form as preyear's consideration, said he be- scribed by the city charter, (b) "this is the first criminal the city commissioner form being proposed on the November patent pool anti-trust case." general election ballot, or (c)

"The defendants engaged in direct price fixing," he ruled. Convicted with the giant electrical firm were two of its suberal Electric Co. of New York and the Carboloy Co. of Detroit, and three individuals - Walter G. Robbins of Detroit, president of Carboloy; Zay Jeffries of cleveland, chairman of the board of Carboloy; and Walter Stearns of Schenectady, N. Y. former General Electric manager of trade relations and special accounts.

The three companies are subfect to possible fines totaling \$25,-000 each, the individuals to similar fines and possible imprisonment of five years each.

Girl Escapes From Attacker

A young girl beat off an attacker in the 1000 block of High- Motorship with 12 land avenue Thursday night and escaped to a nearby house, city police reported Friday.

The girl told police that she had been walking home about 7:30 p.m. when a bareheaded, softvoiced man stepped in front of her and said "Hi! Babe", then grabbed her about the legs. She struggled free and ran into a house where she called police.

Lost in the scuffle was her purse containing about 75 cents in change which was apparently taken by the assailant.
