

## Orchestra Tickets to Go On Sale Monday

Season tickets for the three Salem concerts by the Portland symphony orchestra go on sale Monday at Wills Heider's, Stone Piano company and the Record shop.

The orchestra was widely acclaimed last season by western audiences for its fine playing in Portland concerts and during the Standard Hour broadcasts. Visiting critics and artists last year gave the orchestra enthusiastic commendations.

Werner Janssen has returned to direct the symphony for the second season and rehearsals are under way for the current Portland season which begins November 8, with a donors' concert this afternoon.

Dates for the Salem concerts have been set for Tuesday nights, December 7, January 25 and March 1. The December concert will feature a piano concert by a Portland artist.

Season tickets to be bought now will be exchanged for reserve seats between November 29 and December 4 at ticket headquarters in the lobby of Ladd and Bush bank. Single admissions for the first concert will be available later, so that season ticket holders will be given preference as to seat locations.
