Prove for yourself what throat specialists reported when 30-day smoking test revealed

NO THROAT IRRITATION due to smoking **CAMELS!**

MAKE YOUR OWN 30-DAY CAMEL MILDNESS TEST. Smoke Camels, and only Camels, for 30 days. Prove for yourself just how mild Camels are!

Hundreds of men and women, from coast to coast, recently made a similar test. They smoked an average of one to two packs of Camels a day for 30 days. Their throats were carefully examined by noted throat specialists. And after a total of 2470 exacting examinations-these throat specialists reported not one single case of throat irritation due to smoking Camels!

But prove it yourself ... in your "T-Zone" (T for Taste and T for Throat). Let YOUR OWN TASTE tell you about the rich, full flavor of Camel's choice tobaccos. Let YOUR OWN THROAT give the good news of Camel's cool, cool mildness.

Money-Back Guarantee!

If, at any time, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the amused Camels and we will refund its full purchase
