## Greek Letter Day . . .

By Jeryme English, Society Editor

Playing an important role in the civic and philanthropic work of the community are the 13 organized alumnae associations of Greek letter sororities and today we have pictured the presidents of the active alumnae clubs. The groups range in membership from twenty to a hundred members, thus their activities combining to be of wide influence in the city.

In the past few years the groups have grown to such importance that it is hoped a City Panhellenic will be formed in Salem this winter. Mrs. Carroll Roger Nelson, panhellenic adviser at Willamette university, has sent out invitations to the thirteen alumnae presidents and four other representatives of groups not organized, to an organization meeting on December 3 at Eaton hall on the Willamette campus.

The alumnae groups all contribute locally to charity and philanthropic work and send overseas packages. Those affiliated with the national alumnae organization assist with the national projects of the sorority. Many of the Salem groups give financial aid to the local chapters at the University of Oregon, Oregon State college and Willamette university.

Among the worthy projects being carried on by the national groups are: Alpha Chi Omega, cerebral palsy; Alpha Gamma Delta, altruistic project, helping local spastics; Alpha Xi Delta, just completed rehabilitating the Dutch village of Noordwyck and granting two scholarships in American universities to Noordwyck students; Delta Gamma, all phases of the blind; Gamma Phi Beta, camp for underprivileged children, fellowships and maintaining of an endowment fund; Kappa Alpha Theta, Elsie Back Memorial fund; Kappa Delta, maintains a ward in Crippled Children's hospital in Richmond, Va.; Pi Beta Phi, Settlement School at Gatlinburg, Tenn., and support of a Finnish child. Locally the Delta Delta Delta has the Chemawa Indian school as its project, planning to equip the playground.
