Only Chevrolet Heavy-Duty Trucks offer all these extra-value features!

... and you'll choose
CHEVROLET
ADVANCE-DESIGN HEAVY-DUTY
TRUCKS

There's a mighty big difference in heavy-duty trucks and you'll know it the moment you hit the highway in one of Chevrolet's new heavy-weight haulers. For there's a rock-solid quality, an ease of handling and pull-away power in these Advance-Design trucks. But discover the facts yourself. Compare values! Then—compare prices! You'll find that only Chevrolet trucks have 3-WAY THRIFT—low cost of operation, low cost of upkeep and the lowest list prices in the entire truck field.

- Quicker, easier and quieter in operation, Chevrolet's new 4-SPEED SYNCHRO-MESH TRANSMISSION in one-ton and heavier duty models enables the driver to maintain speed and momentum on grades!
 - Another Chevrolet innovation, the new SPINED REAR AXLE HUB CONNECTION insures added strength and greater durability in heavy hauling.
 - Chevrolet's famous CAB THAT "BREATHES" brings you all-weather comfort! Outside air is drawn in and used air is forced out! Heated in cold weather.
 - The power-packed Chevrolet LOAD-MASTER VALVE-IN-HEAD ENGINE, world-famous for economy, is now even more durable and efficient in operation.
- Plus • the Flexi-Mounted Cab • Unweld, all-steel cab construction • All-round visibility with rear-corner windows • New, heavier springs • Full-floating Hypoid rear axles in 3/4-ton and heavier duty models • Hydrovac power brakes on 2-ton models • Ball-bearing steering • Wide base wheels • Standard cab-to-axle dimensions • Multiple color options • Heating and ventilating system and rear corner windows with deluxe equipment optional at extra cost.
