### Willamette U. Organizations Contribute to Christmas Spirit

By James Oakes  
Statesman Campus Correspondent

The Christmas spirit is in full swing on the Willamette university campus this week with all living organizations contributing caroling and individual Christmas parties.

At the end of last week it was

#### Secretaries Pack Basket For Needy

Monday night fifteen members of Cascade chapter, National Secretaries' association, and their guests attended the Christmas party held at the home of Miss Lois Manning on Richmond avenue. The buffet supper was served from a table festive with evergreens and Christmas candles.

The members brought articles of food for the Christmas basket which is being prepared for a needy family of ten in Salem. The case of soap which the chapter sent to a children's hospital in Denmark is well on its way and is expected to arrive during the holidays.

The regular business meeting will be held December 27.

ter Mulkey, Mr. and Mrs. Robert Powell and Mr. and Mrs. Reginald Reese.

thought that many of the student body would have to leave early to avoid the impending rail strike. But with its postponement until January, the original date for officially starting the vacation, Saturday, December 18 at noon, was kept in effect.

All residence houses will be closed after that time until classes resume Monday, January 3. No meals will be served.

Last school Christmas functions this week will be held today. At 10 a. m., during the regular chapel hour at the First Methodist church, the university a capella choir will render an all-school music program. At 8 p. m. the senior class will sponsor an all-school Christmas party in the gymnasium with Will Henderson, Empire, in charge and Richard Tau, Salem, acting as Santa Claus.

Because of work, bad transportation connections and extremely long distances to travel, Dean of Students Raymond Withey is allowing several students to leave a few days early.

William Hanson and Warren

Schmidt are both leaving tonight by boat for Alaska and Newton Kechio left earlier in the week for Hawaii to visit his mother who is ill. Also leaving early because of distance were the Faminow brothers William and Steve who live at Lundbreck, Alberta, Canada; Charles Bowe, who has business in Arizona; Ambrose D'Eagle, who lives on an Indian reservation at McLaughlin, S. D., and Conrad Miner, who is going to Kansas City, Mo.

Those leaving for work are Donald Serrell, Hermiston; Elliott Molschenbacher, Roseburg; Frank Winship, Arlington, Calif.; Robert Dusenberry, Salem; Robert Bagley, Salem; Albert Blacic, Eugene and Jeffrey McRae, Pasadena, Calif.

Three others, Benjamin and Norton Younglove, Riverside, Calif., and Earl Killifer, Balboa, Calif., are leaving early to participate in the all-coast college regalia in San Francisco.

### State Colleges' Budgets Rise \$15,000,000

Budget needs for the state's colleges and universities will be about \$15,000,000 greater during the next biennium, the state board of higher education stressed this week in a meeting with a group of legislators.

Among the items cited was \$12,000,000 to cover construction, remodeling and additions involving buildings at the higher educational centers.

Of this amount, declared an emergency at the conference, \$3,500,000 would be allocated to the University of Oregon, \$3,175,000 to Oregon State college, \$2,500,000 to the medical-dental unit, \$350,000 to the Eastern Oregon College of Education, \$350,000 to the Southern Oregon College of Education and \$300,000 to the Oregon College of Education.

A statement distributed among legislators at the conference indicated that \$9,000,000 of the \$12,000,000 is needed for building projects included in the \$5,000,000 building program approved by the voters at a special election in 1945 but which was deferred because of lack of funds.

Of this \$5,000,000, made available in 1945, the statement said, the board of higher education has underway 22 permanent building projects which will cost \$4,213,844.

The remainder of the \$5,000,000 had to be used for emergency student housing and classroom buildings such as war surplus structures, quonset huts and other structures, the conference was informed.

### Fairview Pupils To Give Cantata

A Christmas cantata, "Petit Noel," will be given tonight at 8 o'clock by the school children at Oregon Fairview home near Salem. The program is open to the public in the administration building.

The music comprises old French carols. About 35 children participate in the presentation, directed by Mrs. Gretchen Avison and accompanied by Dolores Bracken. It is part of the home's training program.

During the holiday season several parties, dances and movies have been scheduled for the patients, as well as distribution of gifts on Christmas day.

We get more long distance calls at Christmas than can go through

Seems 'most everyone likes to make long distance calls on Christmas Eve and Christmas Day. In spite of all we can do, lines will be crowded...calls will stack up...and some folks are bound to be disappointed.

Best time to make holiday calls: Before Christmas Eve or after Christmas Day.
