Grain Prices Close Lower

CHICAGO, Dec. 15 -(AP)- With losses in corn running to nearly cents all grains closed lower on the board of trade today. Soybeans ended mixed, the December contract showing a gain, while lard had small declines.

Trading sentiment was influenced largely by a charge that three European nations had misused economic cooperation administration funds. Some traders felt this might cause the ECA to have some difficulty in getting supplemental appropriations from congress.

Wheat closed 12-78 lower, corn was 34-1% lower, oats were 1/8-1/2 lower, rye was 1/2 to 1 cent lower. soybeans were 2 cents lower to 21/2 higher, and lard was 5 to 15 cents a hundred pounds lower.
