**Karo Syrup**

Blue label, dark 5-lb. pail **55c**  
Red label, light 5-lb. pail **57c**  
Green label 1 1/2-lb. jar **23c**

For more delicious popcorn balls use karo, America's favorite syrup.

**POPCORN BALLS - WITH KARO**  
1 1/2 cups sugar 1 teaspoon vanilla  
1 1/2 cups water 1 teaspoon butter  
3/4 cup karo (white)

Mix ingredients in kettle. Cook and stir constantly until mixture boils. Stir occasionally thereafter to be sure it does not burn. After all ingredients are completely dissolved, test by dropping small amount into glass of water. If hard ball forms, mixture is completed. Pour over popcorn and form into balls. Allow to harden. If color is desired, use regular pure food coloring in syrup mixture.
