

## Keizer School Schedules Two Shift Yule Program

KEIZER, Dec. 16—Keizer school, which last year found it necessary to operate on a two shift basis for pupils and teachers, now has sufficient class rooms but with an enrollment of 322 has too many teachers for a one shift Christmas school program.

So the Christmas program will be presented in two shifts, Monday and Tuesday nights at the school auditorium. For the most part two complete sets of children will present the program Ralph Nelson, school principal, said. However the orchestra and chorus and a few special numbers will be given by the same person at each show.

Insofar as possible the casts have been selected along "family lines," Nelson said. It is assumed parents will come when their children are on the program, and the whole effect might be lost if there were children from one family in each of the two casts.

**Smedley is Director**  
The Christmas story is told in the form of a play and pageant. "A Saviour is Born" by Anne E. Pierce. Mrs. Hazel Patterson is the pianist and Harold Smedley is the director.

Three narrators will take care of that feature each night, the same acting at both performances. They are Shirley Brantner, Paul Malson and Lois Dodson. Carmelita Weddle is the teacher director for this.

Shepherds are directed by Mrs. Glendora Dixon and they will work in shifts. They include Buddy Karn, Dale Schuh, Alvin Saul, Ronald Cannon, Jerry Moss, Stanley Pawley, Charles Schoneboom, Gordon Elwood, Merritt Lann and Kenneth Stevens.

Mrs. Pearl Langland directs the angels who will operate on shifts. They are Inice Goldsby, Barbara Dodson, Janice Buick, Lois Judes, Jerry Lee Grabel, Lorraine Owen, Mary Jane McClanahan, Judy Klempe, Colleen Taylor, and Sandra McMorris.

Joanna Beardsley and Wanda Noel will take the part of Mary in the pageant on one night each. Mrs. Elizabeth Polston is directing this. Clarence Miller and Larry Cummings will take the part of Joseph on successive nights. Mrs. Preissler will direct this feature.

**Orchestra on Both Nights**  
Mrs. Christine Mehner and Mrs. Ione MacNamara are directing the wisemen who will be on alternate shifts. Taking these parts are Clifford Estes, Deloss Friesen, La-Zane Shannon, Ray Martin, Arnold Pedersen and Allan Couper.

Mrs. Patterson and Mrs. Ethel Murphy are directing the carolers who come from the third grades and will also be on alternate shifts. Mrs. Zanana Means and Mrs. Aileen Begin are directing the nativity scene in which primary pupils from first and second grades will take part. Mac Baker will sing "O Holy Night" at both programs.

A 17-piece orchestra and the chorus are directed by Mrs. Aileen Begin. These will take part in both programs.

Others aiding with the program

are Fred Rose, public address system; Ira Goddard, Mrs. Nellie Bradford and Julian Smith, staging; Mrs. Nellie Yung, Mrs. Mildred Odgers, Mrs. Elda Bradford, Mrs. Begin, programs.

We get more long distance calls at Christmas than can go through

Seems most everyone likes to make long distance calls on Christmas Eve and Christmas Day. In spite of all we can do, lines will be crowded... calls will stack up... and some folks are bound to be disappointed.

Best time to make holiday calls: Before Christmas Eve or after Christmas Day.
