Since the younger All - America circuit came into existence three years ago it has been a continual joust between that loop and the older, more established National league. CORVALLIS, Ore, Dec. 21-(P)The Wyoming Cowboys finished in a wild riding scoring spree tonight to squeeze out a 53 to 52 basketball victory over Oregon State college in an overtime game here The win split the two game series between the schools.

The score was deadlocked 47-47 at the end of the regular time by Oregon State after the Beavers had trailed the Cowboys until the final mistates.

Wyoming had led from the tip off and by the halftime were in front 29 to 27. This was widened to 38-33 on scoring led by John Pilch. Then the Staters tied at 41 all and again at 44 in a rally that put them ahead for the first time in the regular play on Len Rinearson's free throw. But Max Peyton dropped a goal and then a foul line shot to give the Cowboys a 47-45 edge with less than half a minute left in the game.
