Dairy Farmers To Meet at OSC January 17-19

Oregon dairymen, constituting one of the oldest organized commodity groups in the state will hold their 55th annual convention on the Oregon State campus January 17 to 19. Details of the program are being worked out by W. A. Johnson, Grants Pass, president, and Roger Morse, Corvallis, secretary, and Arthur Ireland, Forest Grove, chairman of the program committee.

The practice started some years ago of having breed groups hold their annual meetings at the same time as the main association convention, will be continued this year. This will include meetings of the Oregon Holstein, Jersey and Guernsey cattle clubs.

As this is the legislative year consideration of proposed legislation will be an important part of the business sessions. Proposed changes in or abolition of the milk control law, and the expiration of the law creating the Oregon dairy commission for promotion of the industry, are among important items on the legislative list.

EMERGENCY NOTICE to all Users of Electricity

Cola Weather has Boosted Power Demands Past Danger Point

MORE CONSERVATION ESSENTIAL

Save Electricity! 4:30 P. M. - 6:30 P. M.

Severe cold weather throughout the region has resulted in serious overloads on the interconnected systems in the Northwest Power Pool.

Demand for electricity between 4:30 P. M. and 6:30 P. M. is at the danger point!

Peak-hour use of power must be curtailed to avoid the hazards of a complete breakdown of service, which will result if overloads should disrupt the Power Pool.

To restore service after such a breakdown would be a gigantic task. You might be out of service for several hours. More than 1,000,000 users of electricity would be affected.

So help protect your electric service by saving power in every additional way you can - 4:30 P. M. to 6:30 P. M. These are the danger hours!
