Newest, Finest Cafe . . .**

Floyd and Kathryn McNall, pre-war owners of the Grand Central Market, are the owners and operators of the Trailway Cafe—Salem's most modern restaurant. Both of them are long experienced in serving the public . . . both are keen to make the Trailway Cafe Salem's brightest eating place.

Floyd, an overseas veteran of the 77th division, says "Nothing out the finest home cooking — we'll make our own chili and pies — feature sizzling steaks — and of course our specialty, "Chicken in the Coop." Yes, and our guests will be invited to inspect our kitchen just anytime — we're proud of it!
