Rich, and Good

Rich Luscious Pies Add Pleasure to Daily Menu and Girth to Waistline

By Maxine Buren Statesman Woman's Editor

What nicer way could anyone take on calories than by eating luscious rich pies. Unless of course from other pastries or candy. Now take pecan pie, for instance, the filling alone contains. 3586 calories and the crust adds a good many more. Here then, is a pie guaranteed to

add inches to an already ample waistline. PECAN PIE 1½ cups dark cornsyrup 1 cup brown sugar

1/4 cup butter teaspoon salt

2 eggs 1 cup pecan meats Cook cornsyrup and brown sugar together until mixture begins to boil. Remove from heat and stir in butter, add salt, cool. Beat eggs, add to syrup mixture, pour filling into unbaked shell sprinkle with

cup of the cornsyrup into a saucepan. Stir until blended. Add butter and milk. Heat to boiling over direct heat and boil gently 11/2 minutes, or until mixture becomes thick and clear, stirring constantly. Beat egg yolks; gradually add hot custard and blend thoroughly. Return to heat and continue cooking minute. Add vanilla and coconut. Pour into baked pie shell. Beat egg whites until stiff but not dry. Gradually beat in the remaining 1/4 cup corn syrup. Spread meringue over top of pie, carefully sealing in all the filling by spreading so that meringue touches all edges of crust. Bake in slow (300F.) oven about 25 to 30 minutes, or until lightly browned. Serve cold.
