Hill estate: First National Bank of Portland appointed executor and George W. Grabenhorst, A. D. Woodmansee and Wayne E. Hampton appointed appraisers.

### Rites in Portland For Edward Heald

SILVERTON, Feb. 5 — Funeral services for Edward Heald, 73, who died at Portland Saturday morning will be held from the Ekman Funeral home Tuesday at 11 o'clock with final rites at Lincoln Memorial park in Portland. Heald was born in Iowa but was a long time resident of Silverton. He died at the Veterans' hospital at Portland. Survivors are the widow, Lillian Heald of Silverton; two daughters, Mrs. Lavon Iverson and Mrs. Blanche Finesie both of Portland, and a granddaughter, Colleen Bowen.

### Baker Area to Get New Power Line

BAKER, Feb. 5—(AP)—A \$1,291,000 program to improve electric power facilities in Baker County was announced Friday by two private utility firms. The Idaho Power Company said it would begin survey work on a \$600,000 transmission line as soon as the weather permits. The 138,000-volt line would run from Huntington to Baker. The California-Pacific Utilities Company said it plans a \$691,940 expansion program here.

Stayton — Mary Harding of Milwaukie will speak Sunday at a fellowship dinner at Stayton Church of Christ. E-kimo children will be the subject and slides will be shown.

# Do You...

- DRIVE A CAR A LOT . . .
- SIT IN AN OFFICE CHAIR ALL DAY . . .
- WANT A SUIT THAT WON'T SHINE . . .
- WANT A SUIT THAT RESISTS WRINKLES . . .
- WANT A SUIT THAT WILL WEAR AND WEAR . . .

BY ALL MEANS SEE THESE REMARKABLE

# HARDIWEAVE SUITS

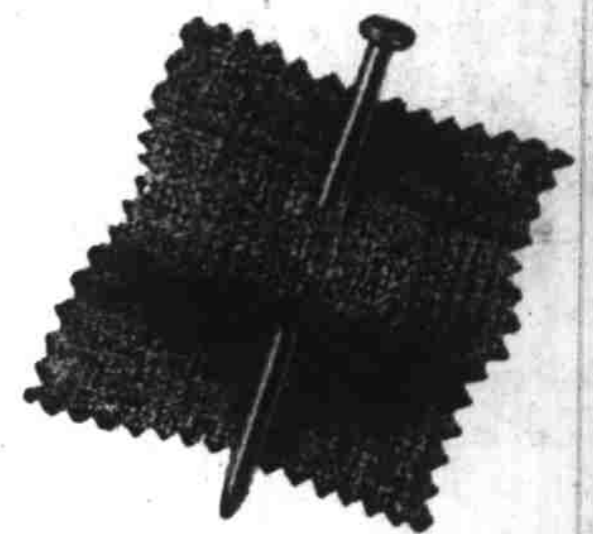

A FABRIC AS RUGGED AS THE PIONEER

Designed Especially for Men Who Treat Their Clothes Roughly

HERE'S HOW THIS AMAZING FABRIC CAN "TAKE IT"

- Cuff It—
- Rough It—
- Snag It—

Stick a nail right through it . . . the Yarns are so resilient the Fabric goes right back into shape.

"Tough as nails."

Outstanding Values at

**\$60<sup>00</sup>**

Single Breasted, coat, vest, trouser.

Double Breasted, coat, trouser.

- A fabric built primarily for long, hard usage.
- Hardiweave won't shine; resists snags; resists tears; resists wrinkles.
- Being chemically treated, Hardiweave is perspiration proof.
- The average wool fabric breaks at 40 to 50 pounds — Hardiweave breaks at 74.

Hardiweave is an unusual fabric designed for men who require the utmost in their clothes . . . a suit that can take all the punishment you can give it and still retain its smart appearance . . . Ideal for doctors, lawyers, bankers and office men who sit at a desk . . . ideal for salesmen who drive a lot. A most remarkable suit because Hardiweave won't shine . . . doesn't wrinkle easily . . . holds a press. And Hardiweave suits are as smart looking as master tailors can make them. If you'd like all these qualities in your new fall suit, by all means see these Hardiweave suits. Designed especially for men who treat their clothes rough. We advise early selections as the quantity is limited.
