FOOTPRINTS SANDS OF TIME JIM

SHOEING A HORSE is undoubtedly a harder job than shoeing a man (possibly because there are twice as many feet) but comfort and durability are a prime factor in either. The tools, shown in this rare steel engraving, are not anything like the expert machines down at our place but they represent the thing we

like to represent . . . old-fashioned, personal-attention methods. When we sell shoes, repair shoes or make shoes we deal with YOU. Our place is not for mass consumption. Each customer has his own special problem. We like to think we can solve that problem.

There Is Something About Trifocals . . .

Distance 40 Inches

20 Inches (Diagram of Comparison)

If you are over 50, and feel that you are not getting the best from your present glasses, try this little experiment. Place some reading matter from 24 to 30 inches away, and see how well you can see this, looking thru the distance portion of your lenses. You will probably find that your vision is not clear at these distances. With trifocals, it is possible to have clear vision at distances between 20 and 40 inches . . . 24-H Leaders to Receive Pins at Keizer Feb. 17

Four-H Leadership pins will be presented to Marion County 4-H local leaders at the annual banquet Thursday, February 17, 7:15 p.m. at Keizer Grange hall. Keizer Grange Home Economics committee will furnish the dinner. Reservations may be made through the 4-H office, and tickets may be obtained from Anthony Riney, county extension agent — 4-H, 475 N. Church, Salem.

Bonnie Klein, Aumsville, and Richard Larkin, Monroe, will tell of their trip to the National 4-H Club camp last June and showing pictures taken by Larkin. Donna Wiederkehr, Sidney, will tell of the 1948 National 4-H club congress in Chicago. She represented the 11 western states as sectional winner in the national leadership contest.

Lawrence Fisher and Ted Hobart, Ladd and Bush bank representatives, will present the leadership pins furnished by the U. S. National Bank of Portland and its branch banks.

One hundred Marion county 4-H local leaders have either first, fifth, 10th or 15 year pins coming this year. Mrs. Ethel Sohn, Independence, and teacher at Sidney school leads the list, receiving her 15th or pearl pin.

Four leaders are in line for their 10th year gold pins. Mrs. Fern Sletto, Mill City; Mrs. Lillian Shaner, Union; Mrs. Mary Lovett, Liberty; Mrs. Mary Ayres Rose-dale.

Receiving silver pins for 5 years of leadership will be Elmer Jessen, Aurora, who was past president of the Marion county 4-H Local Leaders association; Mrs. Florence Hillman, Scotts Mills; Mrs. Clyde Rogers, Mill City; Mrs. Glendora Dixon, Keizer; Mrs. Paul Thomas, Cloverdale; Mrs. Virgil Tachant, Star Route, Silverton; Mrs. Emma Barnick, Buena Crest; Mrs. Ethel Ramus, Macleay; Mrs. Arilla Adkison, Lake Labish and Mrs. John Cage, Middle Grove, president of the Local Leaders association.

Eighty-four leaders from all sections of the county will receive bronze or first year pins for clubs led in 1948.

Silverton College Man Returns to California

SILVERTON—Gerald Merryman has returned to Santa Barbara, Calif., where he is a student at Westmont college. Merryman, who came up for the between-semester vacation, is a son of the John Merrymans. Richard Madsen, a native of Salem, and who has frequently visited here with his grandmother, Mrs. M. J. Madsen, is also a student at Westmont college. This is the latter's second year there, where he is a junior, having taken his first year work at the University of Oregon.

WEST SALEM SCHOOLS

Both junior high and elementary school students will "show off" the new addition to West Salem school Tuesday evening at an open house beginning at 7:30 o'clock.

A brief program in the gymnasium will include talks by Supt. Frank B. Bennett and school board members, and selections by the junior high orchestra, directed by Mrs. Virginia Powell.

Classrooms will be open for visitation, and teachers will be in their rooms to talk with parents.

GARFIELD SCHOOL

The third graders of Kathryn McKinnon's room at Garfield school will present a Valentine program and assembly Monday.

Room pictures will be taken Tuesday. The Mothers and Dads club will hold its monthly meeting Thursday, with a program planned.

The Rev. Brooks Moore was the speaker at a Lincoln day assembly Friday.

The school children took an active part in the March of Dimes drive, in charge of Mrs. Ethel Carothers and her pupils. Sixty dollars was collected.

A group of fathers and boys interested in Cub scouting held a meeting recently. Walter J. Scott of the Cascade area Boy Scout council help plan Cub activities.

The upper grades saw a color film, "Reflections on the Water," designed to show pupils how to paint reflections of water. The artist showed how colors of reflections are affected by the angle of light and by the observer's position. The pupils will make paintings of reflections.

WASHINGTON SCHOOL

A Valentine assembly was presented at Washington school Friday afternoon by the first and second grades.

Announcer was Cathleen Hill; conductor, Carrie Marshall; flag salute leader, Rhett Partie; accompanist, Richard Teague.

A dance and song, "Paw Paw Patch," was given by Janice Pahl, Sally Busick, Deliah Jackson, Carol Ream, Decina Lee Syberg, Robert McGary, Carrie Marshall, Sandra Wiscarson, Janet Don and Tommy Waters.

Stayton CDA Initiation To Be Sunday, Feb. 13

STAYTON, Feb. 12—Annual initiation of the Catholic Daughters of America will be held Sunday at 2:30 p.m. at Forester hall in Stayton. The banquet will be held at 5 p.m. in the St. Mary's parish hall.

The banquet will be prepared by the Altar society and served by the Junior Catholic Daughters. A number of state officers will be on the program, including the Rev. E. J. Murnane of Portland, state chaplain.

Liberty-Salem Heights Areas Plan for Volunteer Fire District

LIBERTY - SALEM HEIGHTS — More than 100 persons met at the Liberty hall Wednesday to help organize a rural volunteer fire district for Liberty and Salem Heights areas. William Linfoot outlined development and progress of the district so far. He told of the need for fire protection and the advantages to be gained under it.

M. J. Gilson, deputy state fire marshal, discussed organization of the fire districts, legal procedure and methods of financing.

Methods Discussed

H. E. Marqueling, representing the Oregon rating bureau, told of the savings by insurance rate reductions if the standards of equipment are met. Waldo Miller of Four Corners Rural Volunteers district told of the benefits his community received and spoke of coordination of the fire districts with the state disaster coordination unit. He told of equipment his district has, how it was obtained, and of advantages of working with the Oregon rating bureau.

William Linfoot outlined the area to come under the proposed fire district as follows:

The north boundary will be the city limits, then south to the Fairview Home road to Morningside and then to the 12th street cutoff; south on 99E highway to the Baxter road and west to the old 99E highway and then north to Boone

road; west on Boone road to the Liberty-Rosedale road; south on Liberty road to the old T. D. Trick place and west along the county road to Skyline road; north along Skyline road to the top of the hill on Croisan Creek road, then north to Belcrest and continuing north to the city limits. Definite boundaries will be determined by the committee February 15. Those not in the area, but living near, or bordering it, and interested in being included in the district, have been invited to get in touch with Linfoot at 2-4187 Monday and Tuesday, or Mrs. Donald Griffith at 2-0264.

Linfoot is chairman of the organization committee and told of its work to date and its plans. O. W. Gorton is vice chairman and Mrs. Donald Griffith, secretary-treasurer. Other members of the committee are Mervin Seeger, Ted Cotman, Gerald Knepper, Wayne Hardman, John Van Loh and H. W. Fasching.

It was suggested that \$10 per family be asked as a donation to cover the initial cost of a fire truck and the legal expense connected with the establishment of the fire district. Contributions may be made payable to the Liberty-Salem Heights Fire District committee, and may be given to any committee members.

C of C to Hear Explanation of Traffic Plan

The State Highway Engineer

R. H. Baldock, speaking Monday noon at the forum luncheon, Blown-up sketches and maps will be used to illustrate the plans, which include a new Willamette river bridge, an east-of-city bypass for highway 99E and a one-way grid system for many city streets.

Baldock has been with the highway department since 1915 and its engineer since 1932. In 1948 he was president of the American Association of State Highway Officials and now serves on many of its important committees.
