CHICAGO, Feb. 23-(AP)-A boost in the government buying price for cash wheat provided the background today for advancing prices on the board of trade. Wheat and corn both had gains of more than a cent while soybeans spurted as much as 3 cents.

Wheat closed 3/8-11/2 higher, corn was 11/4-15/8 higher, oats were 1/8 lower to 3/4 higher, rye was 11/4 higher, soybeans were unchanged to 3 cents higher and lard was 10 cents lower to 5 cents a hundred pounds higher. Private trade sources said the

Commodity Credit corporation was buying wheat at Kansas City as much as 40 cents a bushel over the price for the May future there. That meant a gain of 21/2 cents since Monday, and followed upon increases in the premium on several days last week.
