

### New Low Lines Featured in Dodge Coronet

Initial showing of the new 1949 Dodge cars will be held today at the Stan Baker Motor company, 525 Chemeketa St. The Dodge is made on two wheelbases - the new lower-priced Wayfarer on 115 inches and the Coronet and Meadowbrook models, replacing the former custom and deluxe cars, on 123 1/2 inches - a 4-inch increase. New exterior styling, greater interior roominess, and a new higher 7.4 to 1 compression "jet-n-way" engine are features. Massive chrome grilles, improved road illumination and better vision are among other innovations. Above is the new Dodge Coronet with its lower silhouette and distinctive functional styling.

### N. Santiam Flood Prevention Said Too Big for County Funds

Funds for possible flood prevention work on the North Santiam river are tied up in an appropriation bill now before congress, Marlon County Judge Grant Murphy said Thursday.

Judge Murphy and several army engineers inspected a water-threatened area along the Santiam Thursday morning. Residents of that district, located about four miles southwest of Stayton near North Santiam school, have registered fears of another flood.

The river at that spot makes a sharp turn to the south. Judge Murphy said. During high-water months the raging stream has eaten away most of the bank there, threatening the surrounding lowlands to the west and south.

The army engineers told the judge they had only \$50,000 for bank protection on streams in the entire Willamette valley. Moreover, they said, they are limited to a \$50,000 expenditure on any one project and they estimated the North Santiam project would require more than that.

A proposed dam at Detroit, when completed, will ease the situation on the Santiam. But the engineers indicated the only permanent solution would be a system of revetments and diking. Such a project already has been planned for the area surveyed Thursday and now needs funds to carry it through.

"A flood in that district could do a lot of damage to private property and to county bridges and roads there," Judge Murphy said. "However the solution there requires a project far larger than could be handled by county funds."

### Corn Market Prices Rise

CHICAGO, Feb. 24—(AP)—A firm market for cash corn gave most futures of the crop a boost on the board of trade today. Otherwise, grains showed a nervous and slightly lower trend, even the December corn delivery slipping a bit.

In general, May contracts of all cereals had a better undertone than deferred futures. This was partly accounted for by the firm trend of cash prices, dealers said. Easiness in other contracts was based on uncertainty concerning price trends later this year.

Wheat closed 1/4 lower to 1/8 higher, corn was 1/4 lower to 1/8 higher, oats were 1/4 lower to 1/8 higher, rye was 1/4 higher, soybeans were 1/4-1/8 higher, and lard was 2 to 10 cents a hundred pounds higher.

**NOTICE OF INTENTION TO IMPROVE JOHN LUTHER STREET FROM AL AVENUE TO LUTHER STREET.** Notice hereby is given that the common council of the city of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve John street from the north line of Rural avenue to the south line of Luther street, in the City of Salem, Marion County, Oregon, at the expense of the abutting and adjacent property, by bringing said portion of said street to the established grade, constructing cement concrete curbs, and paving said portion of said street with asphaltic concrete pavement thirty feet wide in accordance with the plans and specifications therefor which were adopted by the common council February 14, 1949, which are on file in the office of the city recorder and which by this reference thereto are made a part hereof.

The common council hereby declares its purpose and intention to make the above described improvement by and through the street improvement department.

By Order of the Common Council February 14, 1949.  
ALFRED MUNDT, City Recorder  
Date of first publication hereof is February 17, 1949.

**BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys**  
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or stinging passages with smearing and burning sensations show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give speedy relief and will help the 13 million of kidney takers flush out poisonous waste from your blood. Get Doan's Pills.

until 1941. After brief stays in Corvallis, Vancouver and Dallas she moved to Salem.

Survivors are brothers, John Snyder, Wasco, Calif., and Harry Snyder, Elgin, Ore., and Jim Snyder, both of Monmouth; sisters, Mrs. Hester Jarvis, Salem, and Flora Snyder, Brownsville. Concluding rites at the IOOF cemetery in Dallas will follow services at the Evangeline church at Monmouth Saturday.

### Weather Hurts E. Linn Roads

SWEET HOME — W. H. Davis, supervisor of 150 miles of east Linn county roads, informs that according to his estimate it will cost \$50,000 to repair the damage done to them by the recent freeze and warm rain.

Many of these roads have become almost impassable and many have been closed to heavy hauling. Since there has been no fund provided for such an emergency the public may have to put up with poor roads for some time, or until such funds are provided and repairs can be made, he reminded.

Supervisor Davis said repairs of these roads will be made as soon as possible.

During the past year considerable has been done to improve county roads in this district. Much of the work has been destroyed by the past unusual weather conditions.
