### Girl Scout Camp Plans Outlined

Plans are rapidly taking shape for Girl Scouts camping at Smith Creek this summer, according to Mrs. W. D. Sloper, Santiam Area camp chairman. The camp, owned by the state of Oregon will be rented by the Council from July 1 to August 21. Pre-camp training will start for staff members on July 5, and camp sessions will start on July 10. This year's schedule will include 2 one-week sessions for Brownie Scouts, 2 one-week sessions for intermediate scouts, and one two-week session for intermediate and senior scouts. This summer's schedule will allow for about 96 more campers to enjoy camp life than was possible last year.

Girls are already saving for camp with camp savings stamps in many troops, and troops are electing representatives to meet at Junior Camp committee to make suggestions for the camp program. This summer will stress outdoor hiking and camping

overnight. Girl Scouts of Salem are also planning day camping to supplement the established camp.

The camp committee is asking for contributions toward a camper-ship fund so that deserving girls who are unable to pay all the camp fee may be enabled to attend camp. Anyone interested in contributing to the fund should contact Mrs. Frank Manbeck, 440 Saginaw, for further information.
