

Salary Increases For Polk County Officers Sought

A bill to boost salaries of Polk county officials around 20 per cent for the next two years was introduced in the senate Saturday by Sen. Dean Walker, Independence, and Rep. Lyle Thomas, Dallas.

Under the proposed schedule the judge would receive \$3,600 a year; treasurer, \$2,400; clerk, \$3,000; sheriff, \$3,300; assessor and school superintendent, \$2,700; and commissioners \$8.50 a day.

New Power for Bank Superintendent Sought

The senate banking committee Saturday introduced a bill to transfer savings and loan associations from jurisdiction of the state corporation commissioner to the state superintendent of banks.

Sen. Orval Thompson, Albany, said the proposal would improve supervision powers over the associations.

BIRTHDAY HONORED

The house Saturday unanimously passed a resolution felicitating Rep. Dean B. Erwin of Enterprise on his 41st birthday.

Legion Given Permission To Use House

The house Saturday passed and sent to the governor the senate-approved measure allowing the American Legion to meet in the house chambers August 4, 5 and 6 and increasing the pay of Benton county officers. It also passed and sent to the senate bills providing right of appeal from refusal of the liquor commission to renew licenses, and giving inheritable claims to Tillamook bay oyster beds.

A new bill introduced in the house by the joint ways and means committee would provide a \$1,500,000 revolving fund for the state bond commission to use in purchasing bonds of cities (over 1500) which need help in complying with sewage disposal orders of the state board of health.

The house faces the longest calendar of the session Monday, including the entire highway program (set for final action at 10:15 a.m.); joint resolutions requiring initiative measures to specify the cost of whatever they propose to

do, and easing restrictions on prisoners' home loans; and bills calling for a \$50 minimum monthly pension, allowing rural school districts to dissolve, changing the name of the Oregon State Training school to the Woodburn Boys' school, and specifying maximum work-weeks for firemen at 72 hours. The \$50 pension bill is expected to be referred to the ways and means committee.

Parking Authority Measure Passes

The senate Saturday approved and sent to the house a bill to allow the secretary of state to regulate parking in streets within the capitol grounds.

Sponsors of the bill said improper parking of autos has hindered unloading operations at state buildings.

Easter Seal Sale to Start

The annual Easter seal sale of the Oregon Society for Crippled Children and Adults will begin Thursday, according to Bruce Spaulding, Salem, Marion county chairman. Letters with the seals will be mailed to residents. Proceeds are used to assist persons who cannot receive help from any other agency.

Spaulding said the University of Oregon medical school had registered 4,636 cases of crippled children, including about 350 from Marion county, but that the list did not cover all types of handicaps.

The first negro slaves were brought into the United States at Jamestown before the Pilgrims landed at Plymouth.
