

At Salem Schools

By James Cooke
Statesman School Correspondent

LESLIE JUNIOR HIGH

Leslie's annual band and orchestra concert will be given Wednesday March 18 at 7:30 p. m. in the school auditorium with a program of five separate sections.

The band will open the first section with the "Theme Song" and will then play the "Portland Rose March" featuring majorettes Caroline Seay, Della Smith and Joan Ricketts. The band will then play the "Children's Prayer" from Hansel and Gretel followed by the "Power" march with the majorettes again performing, this time with Mary White, guest twirler from Rickreall. The section will conclude with the "Children's March" and an overture the "Gypsy Festival."

Section two will consist of solos by Leslie music students. Soloists will be: Roberta Graham, violin; Scott Page, oboe; Mary Ann Wall, violin; Grant Shaffner, French horn; and a string quartet composed of: Carol Lee, violin; Roberts Graham, violin; Doris Spaulding, viola; and Sidney Kromer, cello.

Leslie's two dance bands the "Bebops" and the "Ramblers" will be featured in the third section of the program. The "Bebops" directed by Scott Page will play "Nobody's Sweetheart." "Buttons and Bows" will be played by the "Ramblers," directed by Wallace Carson. The two dance bands will conclude this section by playing "Missouri Waltz" together. Both dance bands are directed by Leslie students.

Soloists will again play in Section four. They are: Jerry Evenden, bass; Doris Spaulding, viola; Maureen Gustafson, violin; and Gaylord Hall, trombone.

Leslie's orchestra will conclude the program with the minuet "Silken Fan"; the overture, "Russian Choral"; "Emperor's Waltz" and the "Dance of the Comedians."

Jaycees Told Advantages of Merger Plan

West Salem's Mayor Walter Musgrave pointed to Salem's falling tax millage rate in presenting a summary of the advantages of Salem's city manager plan and the proposed Salem - West Salem merger at a Junior Chamber of Commerce luncheon Tuesday at the Golden Pheasant.

Musgrave said Salem's tax millage is now 21.8 mills, compared to 23.5 last year and 24.7 the year before that.

He stated that in order to alleviate the traffic problem the Baldock plan should be adopted, with some modifications.

On the question of the merger, he said the two cities have a common community, so it would be more efficient to have a unified government.

The Jaycees named a committee to investigate house bill 441 which would make illegal the carrying of a loaded gun on a public highway.

Legion Council to Meet in Hubbard

Legionnaires of Salem and other Marion county communities will meet in Hubbard Friday night for a regular session of Marion county council, American Legion.

The meeting will open at 8 p. m.

State Rep. David Baum of La-Grande, vice chairman of the house military affairs committee, will speak.

Places and 2d second places taken by music students from Salem schools.

Valley News Briefs

Cloverdale—The Turner Extension club will meet Wednesday at the home of Mrs. Karl Wipper. The project for this month will be "Wall Finishes." Co-hostesses are Winnie Weishaar and Betty Drager. Lunch will be served.

Piano Falls on Girl at School

Geraldine Radcliff, 16, 1790 S. Capitol st., was treated at Salem General hospital Tuesday afternoon for painful leg injuries incurred when an upright piano was tipped over at Salem high school.

Geraldine was aiding her gym class in moving the piano when the accident occurred. Salem first aidmen said she suffered abrasions on the shin and a badly bruised ankle when her leg was pinned under the piano. X-rays at the hospital failed to disclose any fractures however.

State Awards Oil Contract

The state board of control Tuesday awarded a contract for furnishing 100,000 gallons of motor oil to the Northwest Oil company, Portland, on a low bid of 42.4 cents per gallon.

Most of the oil, contracted for 1949, is used by the state highway commission. The low bid for transmission oil was 9.4 cents a gallon.

For motor oil in territory not served by the Northwest Oil company and Shell and Standard Oil companies will receive 49.18 cents per gallon.

PROGRAM SUCCESSFUL

MIDDLE GROVE—The 3-act comedy "Charles Aunt" given by the Monmouth college of education, and the jitney supper served by women of the community preceding the play, were considered successful. Approximately 125 persons attended.

It's amazing how easy it is to own your home. Investigate today's classified.

85c GALVANIZED 10-QT. PAIL

Greatly reduced! **58c**

Heavy-gauge steel, galvanized to resist rust and corrosion. Side corrugated for strength.

NEW! MADE TO SELL FOR 11.95 **6.95**

Special purchase!

Outstanding iron buy at tremendous savings for you! Designed for easier, faster ironing. AC.

REG. 28.95 ELECTRIC MIXER

Ask about terms! **21.88**

High quality Mixer at low cost! It whips, beats, mixes; has 3 bowls, juicer and recipe book!

HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity

1. When you see telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West... more telephones... better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.

2. Hundreds of new buildings mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

3. More business for the baker, the druggist, the clothier—telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable... or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

4. It all adds up—this tremendous building program—to a better West for all of us. It is being paid for by thousands of investors who have provided the millions of new working dollars that make the job possible. Result: More telephones... better service. Yet a few pennies still buy a telephone call—one of your real values today.
