(Continued from page 14)  
The Philadelphia Athletics copped their second win in a row over the Boston Red Sox by a 3-2 count in 10 innings. Joe Coleman went the route for the A's and Sam Chapman and Elmer Valo banded four singles apiece in the National circuit. Bob Rush, the Chicago Cubs' sophomore hurler, muzzled the Pittsburgh Pirates with three hits as the Cubs took a 4-0 win. Boston's Braves made it three out of four against the Philadelphia Phils with a 6-5 victory. Earl Torgerson, Boston and Bill Nicholson of the Phils slammed homers but the Phils' Willie (Pud'n) Head Jones stole the show by socking four doubles to tie a modern major record. Brooklyn's Dodgers beat the New York Giants for the second consecutive time, with the aid of four unearned runs.

### Grain Market Hits Snag After Day of Advance

CHICAGO, April 20 (AP)—The grain market ran into trouble today after staging the best single day's advance in several weeks during early dealings. Profit-taking in wheat and a heavy outpouring of cash corn cut down the gains, leaving the market with a ragged appearance at the close.

Only deliveries with any real strength left at the final gong were the new crop wheat futures. They held fractional gains, which were not much in comparison with advances of the market in early dealings during the morning. Pessimistic crop reports encouraged buying of these futures.

Wheat closed 1 1/2 lower to 3/4 higher, corn was 1/4 lower to 1/2 higher, oats were 1/4-1/2 lower, soybeans were unchanged to 1/4 lower and lard was unchanged to 10 cents a hundred pounds higher.

May wheat experienced an early boom, moving up to a new high since January 13 at \$2.25 1/2. At that point short-covering dried up and May quickly reversed itself. It fell nearly 3 cents from its high. Trade reports the government would accept cash wheat grading No. 3 hard caused some early buying.

PORTLAND, April 20 (AP)—A hearing of the \$3,000,000 suit filed by 178 farmers against Reynolds Metals company's Troutdale aluminum plant was continued today to April 27. The farmers allege damage from plant fumes.

# Phone Firm's Stock Drops Following Deal

NEW YORK, April 20 (AP)—American Telephone & Telegraph common stock, and a couple of other issues, provided the action in today's stock market.

The run-of-the-market didn't change much of anything. Price changes were small with declines outweighing gains. Numerous issues bounced back and forth between plus and minus territory.

A T & T dropped to a net loss of 1 1/2 points at 144 following stockholder approval of the biggest financial deal in the history of private industry. The final price was only a point from the 1949 low of 143 which in turn was a low since 1943.

Several substantial blocks of the big communications company's stock changed hands, including one of 4,500 shares.

Stockholders approved a plan for raising \$395,000,000 by sale to stockholders of debentures which could be converted into capital stock. Issuance of additional capital stock, of course, would dilute the equity of present stockholders.

The Associated Press average of 80 stocks dipped 3 of one point to 63.5, equal to the low point of the month established on April 1. The industrial component took the widest swing with a loss of 4 of one points at 88.6. Utilities were a trifle lower and rails up a bit.

Of the 967 issues which traded, 414 lost ground and 276 advanced.
