4-H Club Family To Give Guernsey Calf, State Fair

Donors of a purebred Guernsey high scoring 4-H Guernsey dairy club member at the 1949 state fair will be Mr. and Mrs. H. C. Maynard, McMinnville, announced L. J. Allen, state 4-H club leader Wednesday.

The award, known as the "Guernsey Cattle Club Special," has been made each year at the state fair since 1927, Allen stated. The Maynards were also donors of the calf at the 1941 state fair when it was awarded to Donald Michael, Lane county.

Competition for the calf is based on exhibit, 20 per cent; herdsmanship, 20 per cent; showmanship, 20 per cent; record book, 20 per cent; and report and interview with Oregon Guernsey cattle club members at the fair, 20 per cent.

As well as having led 4-H clubs, Mr. and Mrs. Maynard are parents of seven children, all of whom are now club members, Allen states. In fact, three of the Maynard youngsters have been awarded Guernsey calves at past state

fairs. John won the award in 1939 when the calf was presented by W. C. Fleming, Troutdale. The following year, Eugene won the calf presented by C. T. Gilbert and Sons, Shaw.

The heifer given by Mr. and Mrs. R. E. Clarke, Gaston, in 1943 was won by Clara Lee. Six of the seven Maynard youngsters are enrolled in dairy club projects.
