### Envoy Speeds 'Compromise' To Germany

WASHINGTON, April 22—(P)—An Ace American trouble-shooter, Robert D. Murphy, rushed overseas tonight to sell a "compromise" plan of limited self-government to balking Germans and thus prevent Russia from winning a big round in the cold war.

The compromise was offered by the Big Three—the United States, Britain and France—after the powerful German socialist party turned thumbs down on a Big Three offer for a federal German state with limited powers. In the compromise, made public tonight, the three powers gave in slightly to the socialist's demands for more centralized control of the finances of the proposed West German regime.

Secretary of State Acheson picked Murphy, his top expert on German affairs, to put the compromise across. Murphy, American political adviser for the occupation, cancelled important speaking engagements in this country to make the trip.

### Plane Search Clues Fizzle

PORTLAND, April 22—(P)—Thirty planes sought vainly today for an air force B-26 that vanished yesterday with two colonels and a sergeant aboard.

Two clues blew up. Broken tree-tops seen on Davis peak near Woodland, Wash.,—site of several plane crashes—disclosed, on investigation, no wreckage. A faint carrier wave, heard by the airport tower and appearing to come from Davis peak, proved to have emanated from one of the search planes.

The bond issue would finance construction of a high school to serve the entire area. The building would be built on a 40-acre plot midway between Independence and Monmouth. The joint school boards have an option on the land. Construction would be completed in time for the 1950-51 school term.

### Wenatchee Wins Opener

WENATCHEE, April 22—(P)—Hitters were far ahead of the pitchers as the Wenatchee Chiefs opened the Western International league baseball season here tonight by defeating the Bremerton Blue-jackets 20 to 10.

Seven pitchers went to the mound before the three hours and 15 minutes of the opener were over. Umpire Skulvik added to opening night festivities when he chased Bremerton manager Alan Strange and pitcher John Marshall from the field in the fourth inning after they protested a called strike too vehemently.

Two thousand twenty-four fans braved chill weather for the opener.

Short score: Wenatchee 020 251 002—10 14 2 Wenatchee 020 018 81x—20 15 1 Marshall, Hallet (4), Pyrak (6), Maxwell (7) and Ronning; (8), Bartholomew (3), Gilson (6) and Barst, 0.

### County to Borrow Only \$100,000 For Road Repairs

Marion county has decided to borrow only \$100,000 from the state for road repairs instead of the \$150,000 originally contemplated, the county court said Friday.

"We cut the request," said Judge Grant Murphy, "because after reconsidering the shape of the county roads and this county's budget, the court decided the lower amount would suffice."

The money is to be used in repairing county roads which were considerably damaged in one of the worst winters in county road history. The loan is expected to be negotiated "immediately" from the highway funds, the judge said. It will be paid back in 1950 and 1951.
