Dutch Take German Area

TUEDDERN, on the Dutch-German Frontier, Saturday, April 23—(AP)—About 10,000 Germans and 27 square miles of Germany became Dutch early today, at least for the present.

At the same time 500 Germans and 10 square miles went under the Belgian flag. The changeover, which went off quietly at midnight, was in accordance with recent agreement among the western powers to transfer some 52 square miles of German territory to Holland, Belgium and Luxembourg.

Sweet Home Theft Traced To Pen Parolee

Expenditure of too many nickels landed Gordon McGlothorn, 25-year-old ex-convict, in the Salem jail Saturday where he is being held for Sweet Home police on a charge of burglary not in a dwelling.

Salem merchant became suspicious of McGlothorn when he paid for purchases with rolls of nickels. City Detective Wayne Parker was called to the scene, watched the man make a purchase with more rolls of nickels at another store and then placed him under arrest. McGlothorn was in jail before Sweet Home officials were aware that a burglary had been committed.

Free Czech Plan to Oust Reds Scrapped

WASHINGTON, April 23—(AP)—A spokesman for the council of Free Czechoslovakia said today under- ground forces in Czechoslovakia called off an attempt to overthrow the communist government some time ago.

This former Czech official, who declined use of his name, said preparations had been made for such an attempt but that it was called off because "the situation would not justify anything of that kind—it would have been a sacrifice."

The chances of success were "absolutely against" those plotting the overthrow of the present government, he said. The date which had been set by the underground forces involved "was quite close" when the decision to call off the project was made, he told a reporter.

Bottom Fish Price Proposal Rejected

ASTORIA, April 23—(AP)—The prices packers offered to pay for bottom fish in 1949 were rejected today by the other trawl union.

Fishermen from Seattle, Newport and Eureka said they could not accept the preferred rates, which were as much as 50 per cent below last year. The demand for bottom fish has dropped sharply.

Russ Caught Trying to Slip Past Blockade

BERLIN, April 23—(AP)—The British caught the Russians trying to slip canal boat traffic through the counter-blockade of Berlin today.

A German tugboat operator, shanghaied by the Russians and pressed into the blockade running traffic, set the trap.

The outcome was that British Maj. Gen. G. K. Bourne sent an official protest to the Russians alleging a violation of the British zone.

The British said this is what happened: Erich Froehlich of the British sector took his tugboat down the river spree to the Soviet sector April 4 to pick up some materials for his boat. He was detained.

On April 19 Froehlich was ordered to tow three Soviet barges to Potsdam, in the Soviet sector. Armed Russian soldiers were placed on the barges, through it is against Four-Power agreements for armed soldiers to go into another sector.

Froehlich engineered a breakdown of his engine and had to be towed back from Potsdam. When he got opposite the Charlottenburg locks in the British sector he cast off from the Russian-manned tug and shouted for British police.

A military police officer ordered a Russian soldier aboard the towing tug to leave. The soldier threatened the officer and British police disarmed him. Soviet troops were instructed to come and get him.
