Strand Lauds Foreign Study Exchange Plan

Dr. A. L. Strand, president of Oregon State college, told Salem Chamber of Commerce Monday that exchange of students between U.S. and foreign universities and other plans to expedite study abroad are a healthy step toward securing the peace.

Strand said foreign students take back from this country technical know-how and a better understanding of this country, in keeping with UNESCO's principle that a successful peace must rest on intellectual and moral solidarity.

A special feature of the Sunday exhibit was the non-competitive entries of Mrs. Ray Palmer—her new collections of Cinderella, Sieboldi, Asiatic, Juliana, Acauli and Auricularia primroses, Mr. and Mrs. M. A. Lawrence of Portland, who served as judges, lauded the number and quality of entries.

Parents to Gain School Answers At 3 Meetings

Parents of students who will attend Leslie junior high school next year have been invited to attend one of three orientation meetings scheduled for the school auditorium tonight, Wednesday and Thursday nights at 8 o'clock.

Discussions of what the school has to offer and decisions the child will be expected to make, as well as a question and answer period, have been scheduled.

Tonight's meeting will be for parents of children who will be enrolled in the seventh grade next year and for any other new students. Wednesday's session will be for parents of students now in the seventh and eighth grades at the school. Parents of ninth graders who will be enrolled in Salem high school next year are invited to the Thursday meeting.

It is believed that warm blooded animals originated in the Permian period of geology.

The program will also include presentation of the oldest members of the Sons and Daughters of Oregon Pioneers. The Willamette band will play throughout the afternoon. Others to entertain are the Centennials, a string quartet from Pacific university.

Mt. Angel Primrose Contest Grows; Woodburn Woman Wins

By Lillie L. Madsen, Garden Editor, The Statesman
MT. ANGEL, April 25—Mrs. Tom Guthrie of Woodburn was sweepstakes winner in the second annual Mt. Angel Primrose show, sponsored Sunday by Mt. Angel Garden club, of which Mrs. Bernard Schiedler is president.

Juliane Dehler was chairman of the show, which brought out 170 entries from Mt. Angel, Brooks, Salem, Gervais and Woodburn. More than 700 people attended the show, with most of the valley towns and communities represented, taxing the capacity of the city hall to such an extent that plans were being talked of a larger building in which to hold the 1950 event.

A special feature of the Sunday exhibit was the non-competitive entries of Mrs. Ray Palmer—her new collections of Cinderella, Sieboldi, Asiatic, Juliana, Acauli and Auricularia primroses, Mr. and Mrs. M. A. Lawrence of Portland, who served as judges, lauded the number and quality of entries.

Polyantha and Candelabra primroses predominated at the show with only three acauli, usually so numerous, entered. The three winners in this division were Mrs. Ray Palmer, first; Mrs. John Basil, Stayton, second; and Mrs. Bernard Schiedler, third.

Other placings went to Polyantha, white, 1. Mrs. Tom Guthrie, Woodburn; 2. Mrs. John Basil, Stayton; 3. Mrs. John Henry, Gervais. Blue, two thirds, Mrs. Roy Palmer and Loretta Dehler, Pink, 1. Loretta Dehler; 2. Mrs. George Schmidt; 3. Mrs. A. J. Duda, Gervais. Yellow, 1. Mrs. Tom Guthrie and Mrs. Dorothy Zielinski, Salem; 2. Mrs. Guthrie, Mrs. C. E. Norton, Woodburn, and Mrs. Joe Henry, Gervais; 3. Mrs. Guthrie, Red, Mrs. Joe Henry; Mrs. Ted Nibler, Gervais; 2. Mrs. George Schmidt, Guthrie; 3. Mrs. Otto Berning, Gervais, and Mrs. Roy Palmer.

Flower Arrangement: 1. Mrs. George Schmidt, Mrs. A. J. Duda, Mrs. George Olasvsky, James Ebner; 2. Gervais Garden club, Mrs. C. E. Norton, Mrs. Henry Zollner; Mrs. John Stenger of Woodburn; 3. Mrs. George H. Olasvsky and Mrs. Joe Henry.

Annual Champoeg Celebration Next Sunday Honors Pioneers

Plans were being completed this week for the annual Champoeg day next Sunday at Champoeg state park on the Willamette river east of Newberg.

Gov. Douglas McKay will deliver the welcome address, and Dr. G. Herbert Smith, Willamette university president, will speak on "The Pioneer University." The main address, "The Lesson of Champoeg," will be delivered by Robert Ormond Case, Portland author.

The all-day celebration, honoring Oregon pioneers, will open at 1:30 p. m. with the call to colors by buglers and playing of the national anthem by the Willamette university band.

While most Salem residents will drive cars to the park, Portland residents and officials will travel by specially chartered buses. All persons planning to go are advised to bring their own picnic baskets.

Portland City Commissioner Ormond Bean, president of the Sons and Daughters of Oregon Pioneers, sponsors of the celebration, will introduce Vice Adm. Thomas E. Gatch, master of ceremonies. Admiral Gatch will present Mary Elizabeth Meek in the role of Miss Oregon.

The program will also include presentation of the oldest members of the Sons and Daughters of Oregon Pioneers. The Willamette band will play throughout the afternoon. Others to entertain are the Centennials, a string quartet from Pacific university.

Court Hearing Set Here for Prison Inmate

Marion County Circuit Judge George Duncan Monday ordered an inmate of Oregon state prison to be brought before him on May 9 for hearing on the prisoner's petition that he is being illegally confined.

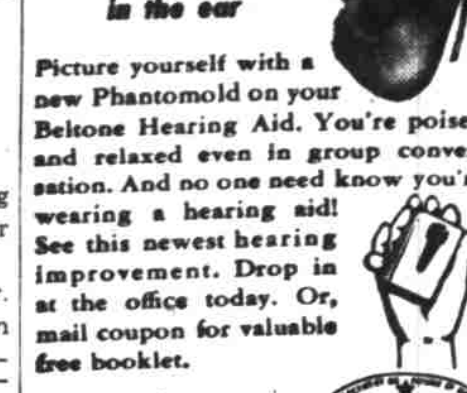

A writ of habeas corpus issued by Judge Duncan orders George Alexander, prison warden, to produce Chauncey Guymon, the inmate, in court. Guymon alleges he is being denied credits for good behavior.

According to Guymon's petition he was sent to prison from Lane county Nov. 24, 1931, on a charge of murder to serve a life sentence. His sentence was commuted to 25 years Aug. 2, 1941, by former governor Charles A. Sprague.

A few days later he was paroled but returned to prison in November of that same year on an alleged parole violation. Guymon claims that if allowed all his "good time" credits he was entitled to be released last January 1.

The petition alleges that Alexander has refused to release the prisoner because of "the alleged breach of parole" in 1941. Guymon says his conduct has been good while in prison and that he has "undergone a general reformation," and deserves to be released.

Picture yourself with a new Phantomold on your ear. You're poised and relaxed even in group conversation. And no one need know you're wearing a hearing aid! See this newest hearing improvement. Drop in at the office today. Or, mail coupon for valuable free booklet.

"Activated" Shell Premium is the most powerful gasoline your car can use!

YES, many of today's engines have been stepped-up... they call for more powerful gasoline! Now Shell gives you the most powerful gasoline your car can use—Shell Premium—it's "activated." No other fuel can top its power in your car!

This is made possible by Shell's own, specially produced power components and by Shell's own blending methods!

Actually, Shell splits molecules to get more power for today's more powerful engines. So you get a gasoline that's "activated" 3 ways!

- Activated for knockless power! Pulling hard in low gear or traveling at full throttle, Shell Premium delivers full, quiet power!
- Activated for fast "getaway." Shell Premium delivers the extra power you can feel—no "balking," no "stuttering"—you go!
- Activated for full mileage. Shell engineers "balance" Shell Premium so that every drop of fuel goes to work for you!

Activation makes the difference

Shell splits molecules: Shell scientists take the finest available crude—activate the molecules by splitting them and rearranging the atoms according to Shell's formula for a perfectly balanced gasoline. The result—Shell Premium, the most powerful gasoline your car can use!

"Service is my business"
