Now! Buy truly high grade, famous brand furniture at way low prices . . . lower than you'd expected to pay for ordinary quality! It's our remodeling program loss! Come and look . . . Come prepared to buy!

The Reason?

BEGINNING MAY 23, our Third Floor Furniture Department will be completely remodeled. Starting tomorrow morning, we will sell our fine furniture stock at drastic reductions. These sensational savings are offered due to lack of storage space and rather than have this distinctive furniture ruined in packing, we are willing to sacrifice at a considerable discount.

Included in this remodeling clearance will be davenports and chairs, bedroom, dining room furniture, desks, lamps and many other items. This remodeling sale will start Monday, May 9th and end Saturday, May 21. Furniture purchased during this time must be delivered immediately.
