## Viks Favored In 'A' Section

Fourteen Teams Due For Olinger Action

The annual District 7 track and Mold finals, to lure thinly clad athetes from 14 Class A and B actuois, will be romped off Saturday morning and afternoon on Sa-Iem high's Olinger field Preliminaries will be contested at 10 a.m. in all events other than the 440, 880, mile and relay. The main field events start at 1:30 p.m. and the

main races at 2 p.m. All winners and runnersup in the events will qualify for the state meet at Corvailis next week

Salem high's Vikings, equipped with a fast set of sprinters and muddle distance men, will be the factorites to snatch the team title in the Class A division The Vikings will be competing with Molalla, Silverton, Mt. Angel, Woodurn, Stayton, Stayton and Sacred Hourt academy. Lack of depth on those teams is expected to offset their spirited bids for the team title Salem tallied 901- points last season for the toga. Molalia was e and with 531,

The scrap in the Class B divisom likely will be much stiffer, however. Oregon's Deaf School, Chemawa, Jefferson, St. Paul, Gervais. Turnes and Aumsville are listed. Coach Pat Beal's Jeffersoms, who have been doing well in the track sport this spring, rate as the Class B favorites

Salem's romping away with the team title in the A division won't be the day's top feature. Almost all schools entered in the upper eless have one or two capable specialists who are sure to make the afternoon finals nip and tuck in a number of the events.
