New Student Magazine Hits Stands Today

A new student publication, the Willamette Humor magazine, is due on the university campus and street stands today with a circulation of 1200 according to its business manager, Russell Tripp, Albany.

The magazine, crammed with 28 pages of cartoons, humorous literature, pictures and jokes of a campus and Salem flavor, is edited by Donald Carpenter of Portland. Other officers of the publication are Ben Younglove, Riverside, Ill.; art; Lowell Miller, Los Altos, Calif.; literature; Bill Meridian, Salem, circulation; and Ed Fitzsimons, Salem, cartoons.

Cover of the magazine will be in two colors with the slogan "In Color but Not Off Color" printed across it. Actual name of the magazine will be revealed as a gag in the subject magazine. All inside pages will be in black and white.

Sanctioned by the university council, the publication will support itself through advertisement and circulation. The book which is approximately 8 by 11 in size will sell on the newsstands and on the campus at 25 cents per copy.

Fisher Ducks Comment on Board Action

Earl L. Fisher, ousted as state tax commissioner after 30 years' service by a two-to-one vote of the state board of control here Monday, has declined to comment on the board action.

Close friends of Fisher said he probably would enjoy an extended rest before announcing future business plans. Under the board of control order Fisher will retire June 4 when his current term expires. Voting for Fisher's ouster were Secretary of State Earl T. Newby and State Treasurer Walter E. Beerssen. Governor Douglas McKay voted for his retention.

Wallace S. Wharton, also ousted by the board of control, was absent from the city Tuesday.

Wonderful New Comfort

The Beautiful Chrysler | Silver Anniversary Model

New Convenience! Easiest car ever made to get into and out of. Women enter and leave with dignity. Common sense engineering of wider door ways, and natural step-in entrances make it seem absurd ever to have to wrestle your way in and out of a car.

New Wider Chair-Height Seats! We don't fold you up like a "jackknife." You sit comfortably in seats the height of your easy chairs at home. We've more headroom, legroom, and shoulder room for you. And no other car has ever been so completely engineered from the fundamentals for your comfort, your convenience, your peace of mind. You don't even have to press a starter button. Turn the ignition key and the engine purrs.

New Easier Steering! In one of the great advances since the war, we give you new "center control" steering. For the first time, the rods of equal length give you balanced control. There's no wheel fight. There's greater road stability, easier handling, less road shock. Yes, and greater safety, too—for everything about this car is designed for safer driving. The new instrument cluster, in your line of vision on the steering wheel, reduces driving strain.

New Smoother Driving! Chrysler's mighty Spitfire engine now has still higher compression for faster acceleration, smoother response. And along with its better all-around performance goes an amazing new Waterproof Ignition System that's exclusive with Chrysler. You can drive through high water or play a hose on the engine but it won't stall. You get quicker starting, even in dampest weather, smoother idling, longer life. To really appreciate this fine car ask for a demonstration today!
