Work Progresses on Highway Fill Project

AMITY—Construction on the fill of highway 99 near the north city limits, is now in progress. Crushed rock from a nearby quarry on the Joe Burns property furnished the necessary material for the fill.

When completed, the dip on the highway at that point will be eliminated and the highway will be widened enough to permit a foot path for pedestrians.

Excavations have shown there were nine successive cities on the site of Troy in Asia Minor.
