We buy everything we can from this man

He goes by a lot of names, lives in almost every town and city in the West, and even if you don't recognize his picture, you probably know him well. He's your local businessman...

Instead of centralizing all our buying, we make it a point wherever possible, to do business with people in the home towns we serve. Paper, pencils, paint, hose, carpentry, shovels, electric lights, engineering, pipe...all the things it takes to keep a company like ours going are bought on this basis.

Last year, more than 10,000 businesses in the West received orders from Standard of California for more than 100 million dollars worth of equipment, supplies and services.
