

### Rally Boosts Grain Prices

CHICAGO, June 15 (AP)—A brisk rally in the latter part of the session left grains with fair-sized advances on the board of trade today. Wheat got most of the demand with the December and March deliveries scoring widest gains.

Wheat ended 1 1/2-2% higher, corn was 3/4-1 1/2 higher, oats were 3/4-1 1/2 higher, rye was 1/4-3/4 higher, and soybeans were 2 1/2-3 1/4 higher and lard was 3 to 10 cents a hundred pounds higher.

Much interest was attached to a trade report from Northwest Oklahoma, where harvesting is now in full swing, that yields were running only 10 to 20 bushels to an acre compared with a pre-harvest estimate of 25 to 30 bushels.

This news supported pessimistic reports concerning the damage which recent heavy rains have done to the southwest's wheat crop.
