Judith Coplon Gives Version Of 'Decoy' Note

WASHINGTON, June 17 -(P) Fighting for her freedom, Judith Copion swore today that her superior officer in the justice department insisted that she jot down extracts from a "decoy" memorandum planted by the FBI.

The notes were found in her purse when she was arrested later the same day-last March 4-with a Russian man in New York. Testifying for the second day Copion insisted that she has "always been loyal to the United States" and was been loyal to the United States" and was been loyal to the United States and was been loved to the United States and was been lo States" and wants to "live and die" in this country.
