Traffic is on a temporary basis along Croisan creek road as county road crews put in new bridges an resurface the road. Above is one of the partially completed bridges about half a mile from the South River road. County road funds are mostly being spent in reconstruction work this summer due to th large amount of damage done to roads by the recent hard winter. (Statesman photo.)

# "Get Better Mileage With A Later Model Used Car!"

## "Take It From Me

. . . it's much more economical to operate a later model carl You get better mileage, for one thing: You save on repairs for another. Yes, and you certainly save a lot of worryl

You have my word . . . when your car gets older it's cheaper in the long run to trade it in on a newer, better model.

And when you do trade it in . . . look for the best values in The Oregon Statesman Classified
