

## Music Store Observes 70th Anniversary

One of Salem's pioneer business firms, Will's Music store, is now observing its 70th anniversary. Now located at 432 States st., the original store was established in 1879 in the Stewart block on Commercial street by George C. Will, Willamette valley pioneer who crossed the plains in 1863. Will died July 23, 1944, at the age of 85 but his wife still lives in Salem. The current owners

are Saul Janz, veteran of 25 years in the music business, and Vernon Wiscarson, former supervisor of instrumental music in Salem schools. The store that once handled Reed organs, old-style phonographs and hundreds of the old cylinder recording disks, one of which is still on display, has been all the changes up to modern television. But Will's still gets requests from publishing houses over the country for songs copyrighted as far back as 1881 and long since out of print. Janz believes the store is the oldest music firm on the Pacific coast. It has been established on State street for nearly 60 years. Janz believes no other Salem firm has been established as long in one retail location.

## Eye-Injury Prevented By Unbreakable Lenses

New Glasses Featured at Semler Optical

Industrial workers and active sportsmen are now able to enjoy added safety and eyesight protection by wearing glasses made with the new Unbreakable Lenses. These amazingly safe modern lenses cannot break or crack—cannot be smashed by falling or severe blows — they guard the eyes fully against flying particles, and end fear of breakage in case the glasses are accidentally dropped.

In the Portland area, Unbreakable Lenses are now featured at the Semler Optical Offices, where they are prescription-ground to the prescription of Registered Optometrists. Anyone who now wears glasses should have the Semler Optical make them an extra pair, made up with exactly the same correction in the new Unbreakable

Lenses. No special or additional eye examination is required—simply bring your optometrist's prescription or instructions.

If an eye-examination is required, prescriptions should be brought to the Semler Optical Offices to have new glasses made up with Unbreakable Lenses. Speedy Semler service is offered on the new Unbreakable Lenses, and glasses are ready in only one day (more time required for Bi-focals, Tri-focals and tinted lenses).

To make the purchase of these new glasses as easy and convenient as possible, they are offered on the Semler Liberal Credit Plan, with payments adjusted to the individual's financial condition. Small weekly or monthly payments—with terms as low as 10¢ a day—are quickly arranged at Semler's, without delay or red tape, and without any interest or extra charge. In Salem, Semler Optical offices are in the Waters-Adolph Bldg., State and Commercial St. Phone 3-3311. Other offices in Eugene and Portland.

## Dark Horse Named to Head Young GOPs

SALT LAKE CITY, June 25 (AP)—Dark horse John Tope of Michigan was elected national chairman of the Young Republicans today after a hot floor fight forced two ballots.

Tope, a 36-year-old Detroit businessman, won by a count of 228 to 202 over Laughlin E. Waters, California legislator. Tope, a salesman for Republic Steel corporation, told reporters he is not supporting any potential 1952 presidential candidate. He said he backed Sen. Arthur Vandenberg of Michigan last year when the nomination went to Gov. Thomas E. Dewey of New York. However, James P. Lynch,

## Memo to Plymouth Salesmen

Bring on your  
value-wise  
buyers!

You've got the car that likes to be compared!

Conditions are changing in the automobile business. Your prospective customers are now buying on the basis of value . . . selecting the car they want . . . getting the most automobile in return for the dollars they put out.

This is a Plymouth salesman's meal! You're selling a great new value car that welcomes comparison to—and competition with—any automobile selling at anything like the same price—or even hundreds of dollars more!

Among the three leading low-priced cars, you have the car with the longest

wheelbase—for greater riding comfort. You have the engine with the highest compression ratio—for greater performance and economy. In fact, of 22 quality features found in the highest priced cars, your Plymouth has 21—competitor "A" has 13—competitor "B" has only 4!

Plymouth's engineering advantages assert themselves on the road. That's why—with complete confidence—you can ask anyone to drive all three of the leading low-priced cars. Put it up to the new car buyers—and let the ride decide!
