

MANY VACATIONERS this summer are picking out sites for permanent summer homes at the beach, in the mountains, or on lake shores. Here is a popular plan with two bunk rooms to sleep four more. A big living room with a fireplace and picture window and an efficient dining-kitchen combination feature the layout. This is Plan 79-H by Richard B. Pollman, 11711 East Eight Mile Road. East Detroit. Mich. The youse covers 648 square feet and has 7,660 cubic feet. These figures can be used for local estimates on costs.
