

Council Gives Assent to Bus Fare Increase

(Story also on page 1.)
WEST SALEM, July 6-(Special)—Increased West Salem bus fares were recommended tonight by the city council at the request of Bus Proprietor R. E. Covert.

The new fares, subject to approval by the state public utilities commission, would be 10 cents for a single ride or four tokens for 35 cents, compared with the present 8 cents or four tokens for 30 cents.

Children's fare of 5 cents straight would be unchanged. Covert told the council the raise in fare is needed to cover increased operational expenses and depreciation of equipment. He said the earlier fare hike had met only the higher pay scale for employees. He noted also the increased license fees since his line came under PUC jurisdiction and the recently granted fare increase for Salem city lines.

Improvements Asked
The council also moved to get attention from Southern Pacific railroad by directing a request for improvement of grade crossings, especially at Gerth street, and for brighter safety lights at all crossings on West Salem streets.

Councilman L. F. Sheridan, who initiated the latter request, stated, "It's positively ridiculous that the railroad doesn't even have a flicker light at the Salem end of the bridge, nor any in West Salem to safeguard crossings." Other councilmen expressed the opinion that SP would not place the signal lights at its own expense.

Charge Reduced
The council voted to cut in half a \$60 charge by the city against Blue Lake Packers for sewer repairs which city officials had reported the result of whole potatoes being dumped in the sewer at the cannery. Blue Lake officials replied that at least part of the clogging was due to flood conditions of last winter.

In other actions the council approved a 300-foot drainage tile project at the west end of the city, called for a new street light at Cascade drive and Bonnie way and designated Burton M. Bennett acting city recorder during the vacation of Robert Pattison July 11-27.

'Tokyo Rose' Name on Bill, Witness Says

SAN FRANCISCO, July 6-(AP)—The name of "Tokyo Rose," written on the back of a Japanese yen note, was introduced today as the first exhibit in the treason trial of 33-year-old Mrs. Iva Toguri D' Aquino.

The first witness against the Los Angeles-born woman was J. Richard Eisenhart of Rochester, N. Y. He was a corporal at Yokohama prison in 1945 when Tokyo Rose was first arrested.

She is charged with "impairing the capacity of the United States to wage war against its enemies" by "isatorously" broadcasting demoralizing propaganda to U. S. troops in the Pacific.

Eisenhart told the jury he was, like many other soldiers, a southerner. When he learned that Tokyo Rose was in the prison where he was stationed, he sought her autograph.

She wrote on the bill "Iva I. Toguri," and after it, in quotation marks, "Tokyo Rose."
The maximum penalty for wartime treason is death, but the government is not asking such punishment.

Land Policies In Dam Area To Be Talked

DETROIT, July 6-(Special)—Proposed land condemnation policies within the Detroit dam reservoir area will be discussed in a public meeting at the new school building here Thursday at 8 p. m.

Col. J. W. Miles, resident U. S. engineer for the Detroit dam project, said he would explain Portland district office policies in acquisition and leasing back to owners and occupants their property within the area.

He said all concerned would be given an opportunity to be heard.

PARTS OF BOAT FOUND
ASTORIA, Ore., July 6-(AP)—The two-year-old disappearance of the fishing boat Zarembo III and six crew men was solved today when parts of the missing craft were pulled out of the ocean in a fishing net. The Zarembo III vanished in a storm off the southern Oregon coast in late September, 1947.

AID FOR VETS VOTED
WASHINGTON, July 6-(AP)—The senate today passed a bill that would permit the veterans administration to pay up to \$1,600 each for automobiles for World War II veterans who lost their sight or a foot or a hand.

LEGISLATION UNLIKELY
WASHINGTON, July 6-(AP)—Senator Taft (R-Ohio) predicted today that congress won't pass any social security legislation at this session.

One Festival Flag Stubborn

To Ed Howie, an employe of Bishop Electric company, went the job of taking down the street banners which heralded the 1949 Cherryland festival. Howie is shown perched atop a 20-foot stepladder mounted on a truck reaching for a flag in front of the Marion hotel at Ferry and South Commercial streets Tuesday. But his efforts failed and the flag still waves. (Statesman photo).

Savants Lash At Communists As Teachers

BOSTON, July 6-(AP)—The 825,000-member National Education association—through its convention—today recorded itself against permitting employment of communist party members as teachers after being told twice that the eyes of the country were watching their vote.

A good-humored roar of ayes from the 3,000 delegates adopted a section of a report which declared: "Members of the communist party of the United States should not be employed as teachers."

There were only a few weak "no" votes.
American Legion Commander S. Perry Brown had said: "The nation is looking to you today to make your decision."

John K. Norton of Teachers college, Columbia University, chairman of the committee whose report included the chapters on communism, declared: "The country is looking at what we do in the next half-hour."

Jury Likely To Get Hiss Case Today

NEW YORK, July 6-(AP)—Alger Hiss' perjury trial neared its end today with a defense charge that his chief accuser was playing politics when he branded Hiss a communist in the midst of the 1948 presidential campaign.

For three and one-half hours, the defense attorney shouted and pleaded for the acquittal of Hiss, one time high in the state department.

Then, with the crowded courtroom still hanging on every word of the tense plea, court was adjourned overnight with the defense still one hour away from the end of its summary.

The case is scheduled to reach the jury of 10 men and two women tomorrow, on the 26th day of the trial.

Defense Attorney Lloyd Paul Stryker, after a dramatically timed courtroom entrance, launched a scathing attack on ex-communist Whitaker Chambers, who first questioned Hiss' honor.

Butler Against Brannan Plan

WASHINGTON, July 6-(AP)—Senator Butler (R-Neb) said today he thinks it would be "disastrous" to order a trial run of the Brannan farm price plan on hogs. He said it would wreck the agricultural economy.

WASHINGTON, July 6-(AP)—The senate today passed a bill that would permit the veterans administration to pay up to \$1,600 each for automobiles for World War II veterans who lost their sight or a foot or a hand.

Toll of Heat Wave Hits 150; Relief Distant

By The Associated Press.
Much of the nation still simmered Wednesday in a long heat wave which had brought death to at least 150 persons.
No widespread relief was in sight, although cooler air from Canada had overspread most of New England, New York, and northeastern Pennsylvania. The mid-western states on the northern border, including Wisconsin, Michigan, and the upper two-thirds of Minnesota, also felt cooler temperatures. The weather bureau said this cooler atmosphere probably would not spread further.

Elsewhere in the hot-belt from the Rocky mountains eastward scattered thundershowers brought but temporary relief.

Chicago, after six straight days of 90 degree temperatures or higher, received temporary relief yesterday from overnight showers.

Nine were known dead and five were missing from a violent rain and wind squall which hit the New York metropolitan area Monday. Hundreds of boats were capsized on Long Island sound.
Illinois led the states with a death toll estimated at 56 from heat prostrations and heart attacks aggravated by the hot weather. Elsewhere the death toll included: Indiana 4; Iowa 6; Maryland 3; Michigan 8; Minnesota 14; Missouri 10; Nebraska 3; New York 6; Pennsylvania 14; Virginia 2; and Wisconsin 2; Connecticut 1; Tennessee 1.

Vandenberg Urges Senate Treaty Action

WASHINGTON, July 6-(AP)—Senator Vandenberg (R-Mich) today urged the senate to ratify the North Atlantic treaty as a barrier against world war III and a warning that any aggressor will be "beaten to his knees."

"This candor can be as powerful as an atom bomb," he said. "It spells out, beyond any shadow of doubt, the conclusive warning that 300,000,000 people, united in competent self-defense, will never allow an armed aggressor to divide and conquer them pursuant to the pattern of the rapes of yesterday."

The impact, he said, should be sufficient to "give even a reincarnated Hitler pause."

Vandenberg, the senate's GOP leader in foreign affairs, spoke on the second day of the treaty debate which is expected to reach the voting stage before the end of the week. Senate leaders of both parties have forecast little more than taken opposition.

PARIS, July 6-(AP)—The foreign affairs committee of the French parliament approved the North Atlantic pact today by 20 votes to 13.

Solomon Gets Opposition for Federal Judge

PORTLAND, July 6-(AP)—Gus J. Solomon, Portland attorney, who has been proposed for Oregon's projected third federal district judgeship, was opposed today by two democrats.

Edward C. Foss, Portland precinct committeeman, and State Sen. Thomas R. Mahoney charged that Solomon had belonged to Left-Wing organizations.

Solomon was endorsed by the democratic national committeeman and committeewoman.
A group of democrats today began a campaign to get the job for Circuit Judge Earl C. Latourette, Oregon City. Mahoney was among Latourette's backers.

L. J. Davenport Of Silverton Dies

SILVERTON, July 6-(Special)—Llewellyn J. Davenport, about 70, died unexpectedly at the Silverton hospital late Wednesday night after a few hours illness.

He was the son of Mr. and Mrs. Benjamin Davenport who were Oregon pioneers. He was born in Marion county. He was an accomplished violinist and was winner of many oldtime "fiddlers" contests in Oregon.

Survivors include a son, William; a brother, D. C. Davenport of Lebanon, and a sister, Eunice Goodnecht of Silverton. Funeral services will be announced later by Ekman's Funeral home.

SEPARATION DENIED
LIBSON, Portugal, July 6-(AP)—An aide to former King Carol of Romania said today reports that Carol and his wife are planning a separation are "absolutely untrue."

SHANNON, Ireland, Thursday, July 7-(AP)—Pan American Airways' new double-deck strato-cruiser with Comedian Danny Kaye and 62 other persons aboard, was reported early today to be returning to Shannon after losing a propeller while en route to New York.

New Firemen Are Assigned After Drilling

Fourteen new firemen were assigned to stations Wednesday by Fire Chief W. P. Robie. They have been drilling with the department since July 1.

Results of physical examinations the men underwent have not been received. Any who fail in this respect will be replaced, Robie said Wednesday. Their replacements would be given temporary assignments.

Those assigned Wednesday were:
Headquarters, A shift: Iverson, Noble, Howe, Milligan, Warren, Foynter, Arnett, Hagedorn, Mize, Dill.
Headquarters, B shift: Norton, Ruch, Hendrickson, Wayne Paynter, Aeschliman, Patterson, Payne, Frad.
Engine No. 2, North Salem, B shift: Blakley.
Engine No. 3, East Salem, A shift: Biedelman, Nelson, B shift: Carlisle, Carruth.
Engine No. 4, South Salem, A shift: Wiltsey, B shift: Walt.

Mrs. M. Lamb Dies; Funeral To Be Friday

Mrs. Mary May Lamb, a resident of Salem and vicinity for 30 years, died Wednesday at her home at 1845 S. 13th st. following an illness of three years.

She was born at Yoncalla, Ore., Feb. 17, 1876 and was married to George A. Lamb at Oakland, Ore., in 1893. They observed their 55th wedding anniversary last winter.

She moved with her family to Silverton in 1919 and they came to Salem in 1941. She was a member of Gold Star mothers of World War I, Order of Eastern Star at Yamhill, and the Maccabees at Donal.

Surviving besides her husband are a son, Harold C. Lamb of Salem; four daughters, Mrs. Idell Hedges and Mrs. Georgia French, both of Salem; Mrs. Verna Come of Dallas and Mrs. Helen Zetterberg of Kings Valley; a brother, G. T. Burns of Portland; 13 grandchildren and five great grandchildren.

Services will be Friday at 1:30 p.m. at the W. T. Rigdon chapel with interment at Butteville.

That Fox Went To the Proper Place, After All

SAN PEDRO, Calif., July 6-(AP)—That silver fox that showed up in the dentist's office wasn't so crazy, after all.

Mrs. Albert Butler claimed the animal from the city dog pound today, and Dental Assistant Regina Johnson, who found it curled in her chair when she opened the office yesterday, won't have her neckpiece.

Mrs. Butler cleared up the mystery of why the 18-month-old fox went to the dentist. It had chewed its way out of a wire pen at her home.

Big Bank Theft Nets 3-Year Prison Term

NEW YORK, July 6-(AP)—Richard H. Crowe was sentenced to three years in prison today for stealing \$883,660 from the National City Bank branch he served as assistant manager.

The 41-year-old banker could have been given a 45-year prison sentence and a \$30,000 fine.

But Federal Judge Henry W. Goddard said he was giving full consideration to Crowe's cooperation in helping the government recover all but \$5,950.65 of the money.

Standing with bowed head, the banker said "I'm sorry I did it. It's something I did and I pleaded guilty to it." He is eligible to apply for parole after one year.

The defendant started with the National City 19 years ago as a messenger and rose to the post of assistant manager at \$7,250 a year. His attorney declared "every cent is going to be paid back."

Fire Department Called Out to Cool Off 6,000 Fowl

HAGERSTOWN, Md., July 6—The fire department was called out today to cool off 6,000 turkeys.

As the mercury climbed to 100 degrees, 500 gobblers on Adam Martin's nearby farm keeled over and died.

Martin, already out \$2,500 worth of birds, put in a hurry call to city officials. They sent out a fire truck.

The firemen spent the rest of the afternoon shooting cooling streams of water into the air and over the survivors.
