Delay in Pay

Unemployment claims from former employes of ships connected with the war shipping administration will continue to be accepted by the Oregon unemployment compensation commission but no payment for the new benefit year will be made until congress approves the 1949-50 appropriation.

These instructions were sent out Friday to 26 local employment offices by Administrator Silas Galser following advices from Washington, D. C., regarding extension of the program. For the past two Mrs Neil Rambo, about 50, was years payments have been made the war shipping administration and state agencies.

"As the appropriations ceased as of June 30, we were forced to discontinue these benefits", Gaiser explained. He said in most cases, however, discharged seamen have state wage credits in The woman's body was discov- 1948 and are eligible for benefits
