When operating costs are higher --performance lower . . . it's time to trade your car for a later Model!

After your car has reached a certain age, costly repairs and lowered performance make it expensive to operate. To put it in top shape involves a considerable financial outlay.

When this happens to you, it's time to trade for a newer, more economical car. And the place to look for the biggest values is in The Oregon Statesman Classified Ads - - hundreds are listed every week.

Typical Car Values in Today's Ads . . .
